**SECTION - II**  
**INSTRUCTIONS TO BIDDERS**

## SECTION-II

## INSTRUCTIONS TO BIDDERS

## GUIDELINES TO CONTRACTORS REGARDING GOVERNMENT OF MAHARASHTRA E- TENDERING SYSTEM.

**2.1.0. ~~Pre-Requisites to Participate in the E-Tenders Processed by VIDC~~****2.1.1. ~~Enrolment of Contractors on Electronic Tendering System~~**

~~The Contractors interested in participating in the e-Tendering process of Water Resources Department shall be required to enrol on the Electronic Tendering System to obtain User ID.~~

~~After submission of application for enrolment on the System, the application information shall be verified by the Authorized Representative of the Service Provider. If the information is found to be complete, the enrolment submitted by the Contractor shall be approved and the User ID of the Contractor will be activated.~~

~~The Contractors may obtain the necessary information on the process of enrolment and empanelment either from Helpdesk Support Team or may visit the information published under the link **FAQ** under the section **Help for Contractors** on the Home Page of the Electronic Tendering System.~~

**2.1.2 ~~Obtaining a Digital Certificate:-~~**

~~The Bid Data that is prepared online is required to be encrypted and the hash value of the Bid Data is required to be signed electronically using a Digital Certificate (Class II or Class III). This is required to maintain the security of the Bid Data and also to establish the authenticity of submission of data by Authorised Representative of the Contractor transacting on the System.~~

~~The Digital Certificates are issued by an approved Certifying Authority authorized by the Controller of Certifying Authorities of Government of India through their Authorized Representatives upon receipt of documents required to obtain a Digital Certificate.~~

~~Bid data / information for a particular Tender may be submitted only using the Digital Certificate which is used to encrypt the data / information and sign the hash value during the Bid Preparation and Hash Submission stage. In case, during the process of preparing and submitting a Bid for a particular Tender, the Contractor loses his / her Digital Signature Certificate (i.e., due to virus attack, hardware problem, operating system problem); he / she may not be able to submit the Bid online. Hence, the Users are advised to store his / her Digital Certificate securely and if possible, keep a backup at safe place under adequate security to be used in case of need.~~

~~In case of online tendering, if the Digital Certificate issued to an Authorised User of a Partnership Firm is used for signing and submitting a bid, it will be considered equivalent to a no objection certificate / power of attorney to that User to submit the bid on behalf of the Partnership Firm. The Partnership Firm has to authorise a specific individual via an authorisation certificate signed by a partner of the firm (and in case the applicant is a partner, another partner in the same form is required to authorise) to use the digital certificate as per **The Information Technology Act, 2000.**~~

~~Unless the Digital Certificate is revoked, it will be assumed to represent adequate authority of the Authority User to bid on behalf of the Firm for the Tenders processed on the Electronic Tender Management System of Government of Maharashtra as per **The Information Technology Act,**~~

~~2000. The Digital Signature of this Authorised User will be binding on the Firm. It shall be the responsibility of Partners of the Firm to inform the Certifying Authority or Sub Certifying Authority, if the Authorised User changes, and apply for a fresh Digital Signature Certificate. The procedure for application of a Digital Signature Certificate will remain the same for the new Authorised User.~~

~~The same procedure holds true for the Authorised Users in a Private / Public Limited Company. In this case, the Authorisation Certificate will have to be signed by the Director of the Company or the Reporting Authority of the Applicant.~~

~~For information on the process of application for obtaining Digital Certificate, the Contractors may visit the section **FAQ** on the Home Page of the Electronic Tendering System.~~

~~The bidders can obtain the Digital Signature Certificate from any certifying Indian authority. For more information about the digital signature bidders may visit to the portal [www.cca.gov.in](http://www.cca.gov.in) (Controller of Certifying Authorities Government of India)~~

### **~~2.1.3 Recommended Hardware and Internet Connectivity:-~~**

~~To operate on the Electronic Tendering System, the Contractors are recommended to use Windows XP and above Computer System with at least 1 GB of RAM and broadband connectivity with minimum 2 MBPS speed. However, Computer Systems with latest configuration are recommended for better performance, Internet Explorer 9.0 and above or Mozilla FireFox 3.5 upto version 49 and Java Run Time Engine (JRE- 1.8.0) or higher is pre requisite. Further updated details can be obtained from 'Download' Section of Portal.~~

### **~~2.1.4 Set Up of Computer System for Executing the Operations on the Electronic Tendering System:-~~**

~~————— To operate on the Electronic Tendering System of Government of Maharashtra, the Computer System of the Contractors is required be set up. The Contractors are required to install Utilities available under the section Mandatory Installation Components on the Home Page of the System.~~

~~The Utilities are available for download freely from the above mentioned section. The Contractors are requested to refer to the Help for Contractors available online on the Home Page to understand the process of setting up the System, or alternatively, contact the Helpdesk Support Team on information / guidance on the process of setting up the System.~~

### **~~2.2.0 Steps to be Followed by Contractors to Participate in the E – Tenders~~**

#### **~~2.2.1 Uploading of My Documents:-~~**

~~Directions for uploading of My Documents are available at Home Page of Portal under section Bidders Manual Kit.~~

#### **~~2.2.2 Online Viewing of Detailed Notice Inviting Tenders:-~~**

~~The Contractors can view free of charge the Detailed Tender Notice along with the Time Schedule (Key Dates) for all the **Live Tenders** released by **CE, Water Resources Department, Nagpur** on the home page of Government of Maharashtra e-Tendering Portal on <http://mahatenders.gov.in> under the organisation **CE, Water Resources Department, Nagpur.**~~

#### **~~2.3.0 Download of Tender Documents:-~~**

~~Main Bidding Documents are available for free downloading to any eligible competent~~

~~Contractors who will satisfy all term and conditions mentioned in the tender document and empanelled on Government of Maharashtra e Tendering Portal.~~

#### **~~2.4.0 Online Bid Preparation and Submission of Bids:-~~**

~~All Bids shall be supported by EMD paid online through web portal. Bid submission involves following steps.~~

- ~~• Entering Fee Details (if applicable).~~
- ~~• Entering EMD Details.~~
- ~~• Fee Confirmation.~~
- ~~• Uploading documents.~~
- ~~• Bid Confirmation.~~

~~Bidder will have to validate the EMD payment, if the payment is not realised with bank, in that case system will not be able to validate the payment and will not allow the bidder to complete his Bid Preparation stage resulting in nonparticipation in the aforesaid e Tender.~~

~~E tendering process will be conducted through <https://mahatenders.gov.in> in the e tendering portal of Govt. of Maharashtra in association with National Informatics Center (NIC), Department of Information Technology & State Bank of India for e payment. To participate in e tendering, the intending Bidder/Contractor shall register themselves in the website of <http://mahatenders.gov.in> Detailed information for registration and submission of Bid/offers through e tendering process are available in "Bidders Manual kit" given on home page of [www.mahatenders.gov.in](http://www.mahatenders.gov.in) There are no charge for registration for bidders/Contractors.~~

~~\* Help File regarding use of e Payment Gateway can be downloaded from e Tendering portal.~~

#### **~~NOTES:-~~**

~~a. The Contractors upload a single document or a compressed file containing multiple documents in PDF/XLS/RAR/DWF formats.~~

#### **~~2.6.0 Submission of Bid Seal (Hash) of Online Bids:~~**

**~~DELETED~~**

#### **~~2.7.0 Generation of Super Hash:~~**

**~~DELETED~~**

#### **~~2.8.0 Decryption and Re Encryption Online Bids:~~**

**~~DELETED~~**

#### **2.9.0 Submission Of Earnest Money Deposit & Cost Of E-Tender Form:**

Earnest Money Deposit (EMD) which should be paid through DD as specified at **Sr.No.4.6.4** of Section IV . Earnest money in any other form or cash or cheques will not be accepted.

However, no exemption to any bidder shall be allowed from payment of earnest money deposit, though it is specifically mentioned in Registration Certificate

The amount of EMD will be forfeited, in case a successful contractor does not pay the amount of initial security deposit within the time specified as stipulated by the Executive Engineer, and complete the contract documents. In all other cases, EMD will be refunded to the bidder during the bid preparation by Concerned Divisional Office.

~~Bidders who are using SB MOPS other banks Internet Banking are requested to make online payment four days in advance.~~

~~Tender form and any relevant documents are not be sold /issued manually from offices~~

- ~~1. Tender Forms can be downloaded from the e Tendering Portal Government of Maharashtra i.e., <https://mahatenders.gov.in>~~
- ~~2. There is no charge to download the documents from website.~~
- ~~3. The date and time for online submission of envelopes shall be strictly followed in all cases, as per **Key Dates**. The bidder/ Contractor should ensure that their tenders are submitted online before the expiry of the scheduled date and time, as per **Key Dates**. No delay on account of any cause will be entertained. Tender(s) not submitted online shall not be considered.~~
- ~~4. If for any reason, any interested bidder fails to complete any online stages during the complete tender cycle, department shall not be responsible for that and any grievance regarding that shall not be entertained.~~
- ~~5. Tender shall be submitted in two Envelopes i.e., **Technical Bid in Envelope 1 & Price Bid in Envelope 2** through e Tendering procedure only on <http://mahatenders.gov.in> portal.~~
- ~~6. The Two Bids offer must be submitted along with document(s) as per the guidelines given in tender document by e Tendering procedure only. For more detail visit "Bidders Manual Kit" page, whose link is given on home page of e tendering portal <http://mahatenders.gov.in>~~
- ~~7. For technical bid bidder / Contractor has to make sure that there should not be any space or special character in the file name. All the technical documents should be in .pdf format. Eg. "Registration certificate.pdf" is wrong file name. The correct file name would be "registration\_certificate.pdf".~~

- ~~8. The documents uploaded in the technical bid will be scrutinised by the evaluation Authority as per the document asked in the tender notice and tender document. The decision of the tender Evaluation Authority shall be final and binding in this regard.~~
- ~~9. Bidder/ Contractor, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF (for technical bid) and excel file formats (Microsoft Excel 2003 and above file) for Price Bid.~~
- ~~10. In case of technical bid, if there is more than one document, they can be clubbed together, i.e., for each cover of online envelope only single file need to be uploaded.~~
- ~~11. For e.g., to upload document having multiple pages, bidder has to scan them as single document.~~
- ~~12. For technical bid, bidders have to make sure that there should not be any space or special character in the file name. All the technical documents should be in .pdf or .rar format e.g., "Registration certificate.pdf" "Registration certificate.rar" is wrong file name. The correct file name would be "registration\_certificate.pdf" "registration\_certificate.rar".~~
- ~~13. For Price Bid, do not modify the Price Bid predefined name or sheet name of Price Bid.~~
- ~~14. Only Green cells of Price Bid are for data entry. Do not use cut, copy or paste while data entry into the Price Bid sheet. Any violation on the Price Bid shall be subjected to rejection of the bid. Before uploading Price Bid kindly confirm that entries, details in Price Bid has been saved correctly.~~
- ~~15. It is important to note that, the bidder/ contractor has to Click on the 'Freeze Bid Button', to ensure that he/she completes the Bid Submission Process. Bids which are not frozen are considered as Incomplete/Invalid bids and shall not be considered for evaluation purposes.~~
- ~~16. For any queries relating to this e-Procurement Portal, please call 24 x 7 Toll Free No. 0120-4200462, 0120-4001002, 0120-4001005, 0120-6277787.~~
- ~~17. All queries will be answered in English / Hindi only.~~

#### **2.10.0 Opening of Electronic Bids:**

- ~~1. The Contractors/ his authorised representative may remain present in the Office of the Tender Opening Authority at the time of opening OR can view all the opening and evaluation stages as well as all view technical and financial documents of all the participants in this tender. Otherwise, further complaints regarding tender opening process will not be entertained. Bidders can also view the summary of opening and evaluation uploaded by competent authority during below stages online using their logins.~~
- ~~2. The Competent Authority receiving the Bids shall first decrypt the received bids and verify the Tender Fees and Earnest Money Deposit.~~
- ~~3. The Competent Authority will first open and download the Technical Bid documents of all Contractors and after scrutinizing these documents will shortlist the Contractors who are eligible for Financial Bidding Process in technical evaluation stage.~~
- ~~4. The financial bid will be opened after technical evaluation, the financial opening date and time will be decided after technical evaluation by competent authority.~~
- ~~5. Only technically qualified bidders are eligible or appear in list of financial opening.~~
- ~~6. After financial opening and evaluation, the Award of Contract is also made available online for the bidders.~~

### **2.11.0 Key Dates**

~~The Contractors are strictly advised to follow the dates and times as indicated in the Time Schedule in the Notice Inviting Tender for each Tender. All the online activities are time tracked and the e-Government Procurement System enforces time-locks to ensure that no activity or transaction can take place outside the Start and End dates and time of the stage as defined in the Notice Inviting Tenders.~~

- ~~1. No Pre bid conference will be held. Prospective Bidders can ask for clarification on line through online portal up to 7 days before last date of submission (Not including extension, if any ). In reply to these queries, common set of deviation (CSD) will be issued on web portal and will be treated as part of tender. If no response is received in respect of any clarification from department/ Corporation till the last date of bid submission, it is to be presumed that no changes have been made to any tender condition. No further queries will be entertained after this cutoff date.~~
- ~~2. The e tender submitted by the bidder shall be based on the clarification, additional facility issued (if any) by the Corporation and this tender shall be unconditional. Conditional tenders will summarily be rejected as non-responsive.~~
- ~~3. All bidders are cautioned that the tenders containing any deviation from the contractual terms and conditions, specifications or other requirements and conditional tenders will be rejected as non responsive.~~

#### **2.16.0 Revision or Amendment of Tender Documents :**

Right is reserved to revise or amend the tender document released on website, prior to time instance specified in time schedule and may be displayed on website.

#### **2.17.0 Bidder to Inform Himself Fully :**

The bidder shall be deemed to have fully acquainted himself with,

1. The work and site conditions.
2. Conditions in B-1 form, special conditions, specifications, schedules and drawings, common set of conditions issued.
3. Various loads and lifts involved in the works and materials of construction.
4. His own various quarries for construction materials, their availability and adequacy etc.

#### **2.18.0 Earnest Money :**

All bidders shall pay entire E.M.D. & the mode of payment is indicated as specified at **Sr. No. 4.6.4 of Section IV**. No exemption to any bidder shall be allowed from payment of earnest money deposit.

E.M.D. shall be paid online through bank account of his own by the contractor, Contractor shall submit the undertaking that the Earnest Money Deposit (EMD) has been paid through his bank account and he will be responsible for any legal action under Indian Penal Code (IPC) & The Information Technology Act 2000 if it is found false.

#### **2.19.0 Additional Earnest Money :-**

**DELETED**

#### **2.20.0 Refund of Earnest Money :-**

After opening of the offer the E.M.D. of bidder's other than L1 & L2 will normally be refunded. In the case of successful Bidder, the earnest money will be refunded after signing of contract documents and payment of security deposit. In case of L2 Bidder EMD will be refunded after issue of work order to successful bidder.

Earnest money amount shall not carry any interest whatsoever.

#### **2.21.0 Security Deposit:**

A sum as mentioned at **Sr. No. 4.6.5 of section IV** will have to be deposited by the successful Contractor at the time of completing the contract documents.

The security deposit may, unless otherwise specified in the special conditions, be deposited by the contractor in the form of Demand Draft or irrevocable Bank Guarantee from any Nationalized or Scheduled Bank's for a period equal to the time limit plus the period of defect liability. **(Mentioned at clause 20 of General Conditions of Contract B-1 Tender form)**

The security deposit will be retained by the Corporation for the due and faithful fulfillment of the contract by the contractor. In addition to the sum as above, sums as Security Deposit will be deducted from running account bills at the rate shown at Memorandum Para (d). The sum of Security Deposit thus deducted from the running account bills, will remain in the form of cash for a period as stated in **Clause-20 of of General Conditions of Contract B-1 Tender.**

#### **2.22.0 Additional performance security**

**In case of offer below the cost put to tender as per Government of Maharashtra WRD Resolution No.Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai Date 23.06.2020 & WRD Resolution No. Tender 0417/ CNo.247/17/MP-1, Mantralaya Mumbai Date 30.11.2018 & PWD Govt. Resolution No CAT/2017 on Date 07.03.2019**

**Condition Regarding payment of performance security, if offer quoted by the bidder is below the cost put to tender.**

- i) If the bidder quotes his offer from More than 1 (One) to 10% below of the cost put to tender, bidder shall submit the Demand Draft or Bank Guarantee or FDR of the amount equal to 1% of cost put to tender subject to minimum of Rs.1000/- towards additional performance security.
- ii) If the bidder quotes his offer between 10% to 15 % below (offer More than 10%) the cost put to tender, bidder shall submit the Demand draft or Bank Guarantee or FDR of the cumulative amount which is equal to the amount by which offer is more than 10% below plus the amount as per (i) above in the Envelop No.2 of tender. (For example, for 14 % below rate, 1% + (14%-10%) i.e., 4% , then total 5% of the cost put to tender. Under no circumstance performance security will be less than Rs. 1000/-.
- iii) If the rate quoted by the bidder is more than 15% below than cost put to tender, then total

additional performance security will be calculated at twice the rate of percentage above 15% as per following example [e.g. for 19% Below,  $[6\% + (19\%-15\%) \times 2\%] = 14\%$ ]. Under no circumstance's performance security will be less than Rs.1000/-.

- iv) For bidder submitting their bid more than 10% below than cost put to tender, they will be required to submit detailed work program. This detailed work program will be thoroughly examined for possibility/viability of completion of work at quoted rates. Contractor shall be required to submit his written acceptance of this condition before accepting bid.
- v) The amount of additional performance security shall be calculated on rounding of contractor's offer upto two decimal places.
- vi) **Demand draft or Bank Guarantee or FDR** shall be drawn in the name of Executive Engineer, Gosikhurd Rehabilitation Divisional Unit Nagpur.
- vii) Demand draft/ Bank Guarantee/FDR shall be drawn from Nationalised or Scheduled Bank or Public Sector bank only.
- viii) The Bank Guarantee **shall be valid upto One month after completion of defect liability period** from the date of submission of Bank Guarantee.
- ix) L-I bidder shall submit the Demand Draft/ Bank Guarantee/FDR in the office of the **Executive Engineer, Gosikhurd Rehabilitation Divisional Unit Nagpur, Nagpur** within **8 days** of opening of Envelope-2. This duration of 8 days will not be relaxed under any circumstances. Name of work and e-tender number shall be written on the envelope. Failure to do so will result in forfeiture of EMD and the Contractor shall debar from participating in any bid of Water Resource Departemnt / Corporation **for next 2 years**. Only L1 bidder shall submit the additional performance security after opening of the financial bid.
- x) The Executive Engineer will refund the amount of performance security **within 1 months from satisfactory completion of work**.
- xi) Earnest Money Deposite /Secuity Deposite/ Additional Performance Security of the bidder/ contractors shall be forfeited, if bidder submits false documents / Demand Draft/ Bank Guarantee from period of submission of bid to completion of defect liability period. Also, the contractor shall be debarred from participating in any bid of Water Resources Department for **next 3 Year**.
- xii) Executive Engineer shall issue the work order only after encashing the Demand Draft of the lowest bidder.

- xxi. परिशिष्ट-6 of Section VI on stamp paper of Rs.100/- as per WRD GR.Tender 0417/(Pra.Kra.247/17)MoPra-1 Dt.18/10/2023.

**NOTE :-**

- 1) Contractor submitting false and misleading information will be liable for forfeiture of EMD/SD/ Performance Security and will be banned from participating in any tender process of Water Resources Department for a period of Three Years.
- 2) Bidder shall not be permitted to submit any documents other than performance security, However Corporation/ Government/ Water Resources Department reserves the right to seek additional clarification/information, if required.

**2.23.1** False information and documentation given by contractor shall be liable for action under Indian Penal Code (IPC) & Information Technology Act 2000.

**2.24.0 Technical Bid (Eligibility Criteria) -**

Eligibility criterias as prescribed in para 3.3 Section -III are applicable.

**2.25.0 Financial Bid: in Envelope – II (Commercial)**

The bidder should quote his offer in the form of percentage below or above estimated cost given in Schedule-B of tender documents. This is to be done online at the place made available.

The second e-envelope mentioned on the portal as “**Commercial e-Envelope C-1**” shall contain the offer made on the screen online, And

- i. Upload Blank Tender Copy Issued and Digitally Signed ,
- ii. Signed copy of common set of deviations (CSD), if applicable.
- iii. Offer to be submitted Online, for Price/commercial Bid.

**Note: - (i) and (ii) should not be uploaded among other documents in envelope-I.**

**2.26.0 DELETED**

**2.27.0 Instructions to be Considered While Quoting Tender Offer**

The bidder should quote his offer in the form of percentage below or above estimated cost given in Schedule ‘B’ at appropriate place both in figure and words. The contractor shall quote for the work as per details given in the main tender viz. conditions in B-1-form, special conditions of contract, specifications, common set of conditions issued / additional stipulations made by the Corporation which will be available at the e-tendering portal from time to time.

**2.28.0 Income Tax Deduction**

Income tax is to be deducted from the sums to be paid to the contractor for the works carried out at the rate of 2 % of the gross amount or at the rates revised from time to time, and surcharge on Income Tax & Education Cess as per prevailing Government orders issued from time to time by Competent Income Tax Authority.

**2.28.1 Good & Service Tax (GST)**

As the tender cost is exclusive of GST, therefore bidder shall quote his rate without considering GST. Though the tender rates are not inclusive of GST , the contractor shall pay GST as per the provisions contained under GST Act 2017 on the amount of bill of the work done as per the prevailing rate of GST during the period of work done as applicable. This amount of GST paid by the contractor as per prevailing GST rules, will be reimbursed to the contractor on production of proof of payment of GST to the concern department of Government.

At the time of payment, T.D.S. under GST @ rate 2% (1% CGST and 1% SGST/IGST as applicable) or at prevailing rate as per Government notification shall be deducted from bill amount.

**2.29.0 Quantities Put To Tender :**

The quantities given in Schedule ‘B’ for various items are approximate. Some of the items of

works put to tender are likely to be executed departmentally, till the contract agency is fixed. Such quantities which would be executed till the fixation of contract will stand deducted from the quantities entered in the Schedule 'B' at the time of signing of contract. The contractor should take cognizance of this fact and no claims will be tenable on account of such reduction in quantity. There may also be variation in quantities on account of change or modifications in design and no claims will be tenable on account of such reduction / increase in quantity. The quantities of items on which the Corporation has carried out the work, as measured on the date of work order shall stand deducted from the quantities stipulated in Schedule 'B' as put to tender by the Corporation .

#### **2.30.0 Tender Units :**

The tender has been invited under the Metric System of measurements. The bidder should particularly note the units mentioned in Schedule 'B' on which rates are to be based.

#### **2.31.0 Mode of Measurement:**

The bidder shall also go through mode of measurements decided for various items which are given in item wise specifications.

#### **2.32.0 Validity for Offer Days:**

The offer shall remain valid for a period of **60 days** from the date of the opening of Financial Bid tender and thereafter until it is withdrawn by notice in writing by the bidder, to Executive Engineer and Superintending Engineer. Such notice shall be sent by Registered Post Acknowledgment Due (RPAD). If the acceptance of tender is not communicated within 90 days and if the offer is withdrawn by the contractor earnest money shall be refunded in full.

#### **2.33.0 Opening of Tenders: Technical & financial Bid**

The Contractors or his duly authorised agent may remain present in the Office of the Tender Opening Authority at the time of opening of Technical & Commercial Bids otherwise no complaint will be accepted after opening of Bid. However, the results of the Commercial Bids of all Contractors shall be available on the Government of Maharashtra e-Tendering Portal on <http://mahatenders.gov.in> immediately after the completion of opening process.

Financial & Technical Bid of all the bidders will be opened on line to verify its contents as per requirements. The bidder shall meet the requirement. If the various requirements as specified at Section III & IV are not uploaded or verification of the same do not meet the requirements, a note will be recorded accordingly by the tender opening authority and the said bidder's Financial Bid will not be considered for further action. In this regard, guidelines given in **Water Resources Department GR No.Tender 0417/c.no. 247/17 M.P.-1 Mantralaya Mumbai Dated 30/11/2018 & WRD Govt. Resolution no.Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai Date 23.06.2020** will be followed. The decision of tender opening authority will be final & binding to all bidders.

#### **2.34.0 Evaluation of Tenders**

Prior to opening & evaluation of financial bids , the opening authority will determine whether each bid meets the eligibility criteria defined in Section- III and substantially responsive to the requirement of bidding documents

#### **2.35.0 Acceptance Of Tender :**

Before acceptance the successful bidder will be called for negotiation by appropriate officers of

Corporation. The documents related to such negotiation along with modified offer of the successful bidder if any shall also form the part of contract. After such negotiations the acceptance of tender may be intimated to the contractor by email. Such intimation shall be deemed to be an intimation of acceptance of tender. Bidder whose tender is accepted will have to complete the contract signing & Security Deposit payment formalities within 15 days from the date of intimation. In the event of failure of the bidder to sign the agreement or pay security deposit and additional security deposit if applicable within the stipulated time, the earnest money including performance security if any, paid by bidder shall be liable to be forfeited and the acceptance of the tender shall also be liable to be considered as withdrawn. In that event the work will be awarded to next or any other contractor to whom the Corporation considers suitable.

Tender Acceptance Authority reserves the right to reject any or all tenders without assigning any reasons.

**2.35.1** Substantially responsive Bid is one which conforms to all the terms, conditions, and specifications of the Bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Bidding documents, the Employer's rights or the Bidder's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids. In this regard, guidelines given in **Water Resources Department GR No.Tender 0417/c.no. 247/17 M.P.-1 Mantralaya Mumbai Dated 30/11/2018 & WRD Govt. Resolution no.Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai Date 23.06.2020** will be followed. The decision of tender opening authority will be final & binding to all bidders.

**2.35.2** If a Bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

#### **2.36.0. Signing Of Tender Documents:**

Successful bidder will have to sign the contract with Executive Engineer in the form of tender document released on web site. The documents/information submitted by the contractor during Tender Evaluation and Minutes of pretender conference/ common set of condition documents related to negotiations shall also form a part of contract.

The bidder shall submit original or attested documents to verify and to confirm about what are uploaded by him at the time of e-tender process. And if any deviation is observed, the acceptance of the tender shall out-right be cancelled and further suitable action shall be initiated against the bidder / bidder.

The successful bidder should produce to the satisfaction of the competent authority accepting the tender a valid and current license issued in his favour under the provisions of contract Labour (Regulation and Abolition) Act, 1970 and the Maharashtra Contract Labour (R & A) Rules, 1971, before signing the contract.

#### **2.37.0 Professional Tax**

No further information remains to be supplied."

**3.6.0** Tender process will be governed by as per GoM Water Resources Department GR's 1) GR no. Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai dt 30/11/2018, These G.R. are available on website [www.maharashtra.gov.in](http://www.maharashtra.gov.in) with amendments vide following G.R 2) GR no.Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai dt 12/12/2018, 3) GR no.CAT/2017/C.No. 08/IM-2 Mantralaya Mumbai dt 07/03/2019, 4) GR of Corrigendum no.Tender 0417/C.No. 247/M.P.-1 Mantralaya Mumbai dt 13/09/2019 5) Water Resources Department Govt. Resolution no.Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai Date 23.06.2020. 6) GOM WRD Govt. Resolution No.3/Tender/0417/म.प्र.247/M.P.1 Mumbai Date 8.4.21 or any other relevant GR/Circular issued by GoM/Corporation in this regard. These instructions are binding and non negotiable.

## Qualification Criteria

As per GR no. tender 0417/(P.No.247/17)/MoPR-1 dated 18/10/2023, for Survey work assessment shall be done by **Quality and Cost Based Selection (QCBS)** method prescribed as per Annexure-2 in said govt. resolution and attached with necessary documents.

### Annexure-2

#### 1) Technical Score (S<sub>T</sub>)

The following method should be followed to calculate the **Technical Score (S<sub>T</sub>)**

Sr. No.	Particular	Criteria	Points to be considered for technical assessment						
1.	Annual maximum turnover of bidder for previous adjacent five consecutive Financial Years. (1 <sup>st</sup> April to 31 <sup>st</sup> March)	At least 75% of the Annual Cost of tendered work  $\text{Annual Cost} = \frac{\text{Cost Put to tender}}{\text{Duration of Work (in Years)}}$	Total Mark - 20 <ul style="list-style-type: none"><li>• Minimum qualifying Mark - 10</li><li>• Max marks - 20</li><li>• Bidder without minimum qualifying marks will be disqualified.</li></ul> $\text{Bidders Marks} = \frac{\text{Annual Turnover of Bidder}}{\text{Minimum Expected Annual Turnover}} \times 10$						
2.	Bidder must have completed at least one similar type of work amounting equivalent cost. Minimum equivalent cost of such work should be	At least 30% of Cost put to tender	Total Mark - 20 <ul style="list-style-type: none"><li>• Minimum qualifying Mark - 10</li><li>• Max mark - 20</li><li>• Bidder without minimum qualifying marks will be disqualified.</li></ul> $\text{Bidders Marks} = \frac{\text{Cost of Similar Type work Completed by Bidder}}{30\% \text{ of Cost put to tender}} \times 10$						
3.	Manpower & Machinery	As prescribed by Engineer-in-Charge	Total Score - 30 Bidder will be disqualified if does not have minimum technical manpower & Machinery.						
4.	Capacity of Bidder, Procedure, Planning of work & Attitude towards work	Based on Presentation of executed & in-progress works by Bidder to Engineer-in-Charge <table><tr><th>Points under Consideration</th><th>Marks</th></tr><tr><td>Past experience of similar type measurement work and survey</td><td>10</td></tr><tr><td>Past experience of valuation work pertaining to above measurement</td><td>10</td></tr></table>	Points under Consideration	Marks	Past experience of similar type measurement work and survey	10	Past experience of valuation work pertaining to above measurement	10	Total Score – 30
Points under Consideration	Marks								
Past experience of similar type measurement work and survey	10								
Past experience of valuation work pertaining to above measurement	10								

		Presentation for proposed work	10	

In this way the **Technical Score ( $S_T$ )** of bidder shall be assessed. Bidder with less than 70 marks will be disqualified.

## 2) Financial Score ( $S_F$ )

Lowest bid (L1) will be given as 100 marks as Financial Score ( $S_F$ ) & Financial Score ( $S_F$ ) for bid submitted by other bidder will be evaluated according to their cost as below.

$$S_F = 100 \times (F_L / F)$$

$$S_F = \text{Financial Score (Economic Assessments)}$$

$$F_L = \text{Lowest Bid price}$$

$$F = \text{Price quoted by bidder}$$

## 3) Technical Quotient (T) & Financial Quotient (F)

Technical Quotient (T) for this tender shall be 60% & Financial Quotient (F) for this tender shall be 40%.

## 4) Joint Assessments (S)

The joint evaluation (Weighted Score) of the tender should be decided by taking into consideration the technical evaluation ( $S_T$ ) and Financial evaluation ( $S_F$ ) of the tender and their Quotients.

$$S = (S_T \times T) + (S_F \times F)$$

$$S = \text{Weighted Score}$$

$$S_T = \text{Technical Score}$$

$$S_F = \text{Financial Score}$$

$$T = \text{Technical Quotient}$$

$$F = \text{Financial quotient}$$

The tenderer who obtains the highest combined score (S) shall be awarded the tender.

completion of work in all respect, before rainy season, the contractor should have following machinery or equipment in good condition owned or to be hired or leased by him.

**SECTION - V**

**B-1 - TENDER FORM  
SCHEDULE OF WORKS  
WORK PROGRAMME**

## SECTION - V

## B-1 TENDER FORM

## PERCENTAGE RATE TENDER &amp; CONTRACT FOR WORKS

## VIDARBHA IRRIGATION DEVELOPMENT CORPORATION, NAGPUR

**Name of Work:-** Estimate For Taking measurments and valuation for existing houses at Nerala and Adyal Village.

## GENERAL RULES AND DIRECTIONS FOR THE GUIDENCE OF CONTRACTORS

**1.** All works proposed to be executed by contract shall be notified in a form of invitation to tender published on the notice board in the office of the Executive Engineer. This form will state the work to be carried out as well as the date for online submitting and opening tenders and the time allowed for carrying out the work, also the amount of the earnest money if required to be deposited with the tender, and the amount of the security deposit and performance security if required to be deposited by the successful Bidder and the percentage if any, to be deducted from bills. Copies of the specifications, designs and drawings, estimated rates, scheduled rates and any other documents required in connection with the work shall be signed by the Executive Engineer for the purpose of identification and shall also be open for inspection by contractors at the office of the Executive Engineer, during office hours.

Where the works are proposed to be executed according to the specifications recommended by a contractor and approved by a competent authority on behalf of the corporation such specifications with designs and drawings shall form part of the accepted tender.

**2.** In the event of the tender being online submitted by a firm, it must be digitally signed by a partner duly authorized by firm thereof, and in the event of the absence of any partner, it shall be digitally signed on his behalf by a person holding a power of attorney authorising him to do so as mentioned in detailed tender notice.

a) The contractor shall pay along with the tender the sum as stipulated in details of tender as and by way of earnest money.

b) If after online submitting the tender, the contractor withdraws his offer or modifies the same or if after the acceptance of his tender the contractor fails or neglects to furnish the balance of security deposit without prejudice to any other rights and powers of the Corporation hereunder or in law, Corporation shall be entitled to forfeit the full amount of the earnest money and additional performance security, deposited by him.

c) In the event of his tender not being accepted the amount of earnest money deposited by the contractor shall unless it is prior thereto forfeited under the provision of sub-clause (ii) above, be refunded to him on his passing receipt therefore.

**3.** Receipts for payments made on account of any work, when executed by a firm, should also be signed by all the partners except where the contractors are described in their tender as firm, in which case the receipt shall be signed in the name of the firm by one of the partners or by some other person having authority to give effectual receipts of the firm.

4. Any person who submits a tender shall fill up online form stating at what percentage above or below the rates specified in schedule-B (Memorandum showing items of work to be carried out) he is willing to undertake the work. Only single percentage on all the estimated rates shall be named.
5. The officers indicated in Detailed Tender Notice or his duly authorised assistant shall open tender online. The system will generate comparative statement in a suitable form. In the event of tender being accepted, the contractor shall for the purpose of identification, sign copies of the specifications and other Documents mentioned in Rule 1. In event of tender being rejected the competent officer shall refund the amount of the earnest money deposited by the contractor, on his giving a receipt for the return of money.
6. The officer competent to dispose of the tenders shall have the right of rejecting all or any of the tenders.
7. No materials of any type required for the work shall be supplied by the Corporation. All the work shall be executed by the Bidder with contractor's own material(s). The memorandum of work to be tendered for shall be filled in and completed by the office of the Executive Engineer, before the tender form is uploaded on the portal.
8. All work shall be measured net by standard measure and according to the rules and customs of the Corporation and without reference to any local custom.
9. Under no circumstances shall any contractor be entitled to claim enhanced rates for items in this contract.
10. All corrections, additions or pasted slips should be initialed digitally / physically.
11. The measurements of work shall be recorded by Engineer of the Corporation as per the provisions in the MPW manual & MPW accounts code.
12. In view of the difficult position regarding the availability of foreign exchange no foreign exchange would be released by the Corporation for the purchase of plant and machinery required for the execution of the work contracted for.
13. The contractor will have to construct shed for storing controlled and valuable materials at work site, having double locking arrangement. The materials will be taken for use in the presence of the Corporation person. No materials will be allowed to be removed from the site of works without prior permission of Engineer-in-Charge.
14. Successful bidder will have to produce to the satisfaction of the accepting authority a valid and current license issued in his favour under the provision of Contract Labour (Regulation and Abolition) Act, 1970 before starting work. On failing which acceptance of the tender will be liable for withdrawal and earnest money will be forfeited to corporation.
15. The payment of bills will be made as and when funds are available with V.I.D.C. No claim will be entertained on account of delay in payment due to paucity of funds.

**B-1 TENDER FORM**  
**PERCENTAGE RATE TENDER AND CONTRACT FOR WORKS**

1. I / We hereby tender for the execution for the Vidarbha Development Corporation (here-in-before and here- in-after referred to as Corporation) of the work specified in memorandum as enclosed within the time specified in such memorandum at \* in figure as well as in words..[.....] % [.....] percent below / above the estimated rates entered in Schedule B (Memorandum showing items of work to be carried out) and in accordance in all respects with the specifications, designs, drawings and instructions in writing referred in Rule 1 hereof.

2. I / We agree that the offer shall remain open for acceptance for a minimum period of **60 days** from the date of for opening the of Financial Bid & thereafter until it is withdrawn by me / us by notice in writing duly addressed to the authority opening the tenders and sent by registered post AD or otherwise delivered at the office of such authority.

Earnest Money Deposit (EMD) which should be paid online using payment gateway mode as specified at Sr.No.4.6.4 of Section IV. Earnest money in any other form will not be accepted. The amount of earnest money shall not bear interest and shall be liable to be forfeited to the Corporation should I/We fail to (1) abide by the stipulation to keep the offer open for the period mentioned above or (2) sign and complete the contract document as required by the Engineer and furnish the security Deposit and additional security Deposit if any, as specified in item (e) and (f) of the memorandum enclosed within the time limit laid down in clause (1) of Conditions of contract. The bidder should furnish an agreement in the enclosed format as per Annexure 'B' on a non-judicial stamp paper of Rs.100/- The amount of earnest money may be refunded to me / us if so desired by me / us in, writing, unless the same or any part thereof has been forfeited as aforesaid.

3. Should this tender be accepted, I/We hereby agree to abide by and fulfill all the terms and provisions of the conditions of Contract and Special Conditions of Contract included in this booklet so far as applicable and in default thereof to forfeit and pay to Corporation the sum of money mentioned in the said conditions.

The register shall be written and completed up to date by the Corporation and shall be signed by both i.e. Corporation representative and contractor's authorized representative. The register shall be in the custody of Corporation and shall be maintained by the Corporation and or his site representative.
3. The material required only for this work shall be kept in godown at site. No material shall be shifted away from the site except for the work for which this agreement is entered, without prior approval of the Engineer-in-Charge.
4. The material i.e. MS pipes, Valves, Cement, Steel, Bitumen etc. brought on the work site shall be accompanied with the necessary Company/Manufacturing firm's test certificates. In addition these materials shall be tested as per frequency prescribed by the corporation and the cost of such testing shall be borne by the contractor. If the results are satisfactory, then and then only the material shall be allowed to be used on the work. If the test results are not as per standard these materials shall be immediately removed from the work site at contractors cost. In case of cement, if so requested by the contractor in writing, material shall be allowed to be used before receipt of test result but this will be entirely at the risk and cost of the contractor.
5. The contractor shall produce sufficient documentary evidence i.e. bill for the purchase receipts etc. for the purpose of material brought on the work site at once if so requested by the corporation.
6. All these material i.e. MS pipes, Valves, Cement, Steel, Bitumen etc. shall be protected from any damages, rain etc. by the contractor at his own cost.
7. The contractor will have to erect temporary shed of approved specifications for storing of above material at work site having double lock arrangement (by double lock it is meant that godown shall always be locked by two locks, one lock being owned and operated by contractor and other by Engineer-in- charge or his authorized representative) and door shall be opened only after lock are opened.

8. If required, the weight of MS pipes, Valves, Cement, Steel, Bitumen etc. brought by the Contractor shall be carried out by the contractor at his own cost.
9. The contractor shall not use cement and other material for the item to be executed outside the scope of this contract except for such ancillary small item as are connected and absolutely necessary for execution of this work as may be decided by the Engineer- in - charge.
10. The Corporation shall not be responsible for the loss of MS pipes, Valves, Cement, Steel, Bitumen etc. during transit to work site. The cement brought by the contractor at the work site store shall mean 50 Kg. equivalents to 0.0347 cum per bag by weight. The rate quoted should correspond to this method of reckoning.
11. In case the material brought by the contractor became surplus owing to the change in the design of the work or otherwise for any reason, the material should be taken back by the contractor at his own cost after permission of the Engineer-in-Charge.

**SECTION –VII**  
**GENERAL CONDITIONS OF**  
**CONTRACT**

**SECTION - VI**  
**B-1 TENDER FORM**  
**CONDITIONS OF CONTRACT**

**CLAUSE 1 –**

**(A) Security Deposit:-**

The person / persons whose Tender may be accepted (herein after called the contractor, which expression shall unless excluded by or repugnant to the context include his heirs, executors, administrators, and assigns) shall (A) within 10 days (which may be extended by the Superintending Engineer concerned up to 15 days if the Superintending Engineer thinks fit to do so) of the receipt by him of the Notification of the acceptance of this tender, deposit with the Executive Engineer in the form of Demad Draft or Bank Guarantee or Fixed Deposit Receipt (FDR) or Irrevocable Bank Guarantee of Nationalised / Scheduled Bank situated in the State of Maharashtra endorsed in favour of the Executive Engineer a sum sufficient which will make up the initial security deposit specified in the Tender Form at para (e) (i) of memorandum. It shall be lawful for the Corporation at the time of making any payment to the contractor for work done under contract to make up the full amount of Security Deposit as specified in memorandum at para (e) (ii) by deducting a sufficient sum at the rates specified at (g) of memorandum from every such payment as last aforesaid until the full amount of Security Deposit is made up. All compensation or other sums of money payable by the contractor to Corporation under the terms of his contract may be deducted from or paid by the sale of sufficient part of his security deposit or from the interest arising there from, or from any sums which may be due or may become due by Corporation to the contractor under any other contract or transaction of any nature on any account whatsoever, and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the contractor shall, within ten days thereafter, make good in Demad Draft or Bank Guarantee or Corporation securities endorsed as aforesaid any sum or sums which may have been deducted from or raised by sale of his security deposit or any part thereof. The security deposit referred to, when paid in Demad Draft or Bank Guarantee may, at the cost of the depositor, be converted, into interest bearing securities from any Nationalised or Scheduled bank's branch situated in the State of Maharashtra provided that the depositor has expressly desired this in writing. The security deposit will Not be accepted in the form of insurance company's bonds as per Govt. orders contained CCM/PWD/CAT-4250-S dated 27-12-1956

**(B) ADDITIONAL PERFORMANCE SECURITY**

**In case of offer below the cost put to tender as per Government of Maharashtra WRD Resolution no.Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai Date 23.06.2020 & WRD Resolution No. Tender 0417/ CNo.247/17/MP-1, Mantralaya Mumbai Date 30.11.2018 & PWD Govt. Resolution No CAT/2017 on Date 07.03.2019**

**Condition Regarding payment of performance security if offer quoted by the bidder is below the cost put to tender.**

- xiii) If the bidder quotes his offer from More than 1 (One) to 10% below of the cost put to tender, bidder shall submit the Demand Draft or Bank Guarantee or FDR of the amount equal to 1% of cost put to tender subject to minimum of Rs.1000/- towards additional performance security.

- xiv) If the bidder quotes his offer between 10% to 15 % below (offer More than 10%) the cost put to tender, bidder shall submit the Demand draft or Bank Guarantee or FDR of the cumulative amount which is equal to the amount by which offer is more than 10% below plus the amount as per (i) above in the Envelop No.2 of tender. (For example, for 14 % below rate, 1% + (14%-10%) i.e., 4% , then total 5% of the cost put to tender. Under no circumstance performance security will be less than Rs. 1000/-.
- xv) If the rate quoted by the bidder is more than 15% below than cost put to tender, then total additional performance security will be calculated at twice the rate of percentage above 15% as per following example [e.g.for 19% Below,  $[6\% + (19\%-15\%) \times 2\%] = 14\%$ ]. Under no circumstance's performance security will be less than Rs.1000/-.
- xvi) For bidder submitting their bid more than 10% below than cost put to tender, they will be required to submit detailed work program. This detailed work program will be thoroughly examined for possibility/viability of completion of work at quoted rates. Contractor shall be required to submit his written acceptance of this condition before accepting bid.
- xvii) The amount of additional performance security shall be calculated on rounding of contractor's offer upto two decimal places.
- xviii) **Demand draft or Bank Guarantee or FDR** shall be drawn in the name of Executive Engineer, Gosikhurd Rehabilitation Divisional Unit, Nagpur.
- xix) Demand draft/ Bank Guarantee/FDR shall be drawn from Nationalised or Scheduled Bank or Public Sector bank only.
- xx) The Bank Guarantee **shall be valid upto One month after completion of defect liability period** from the date of submission of Bank Guarantee.
- xxi) L-I bidder shall submit the Demand Draft/ Bank Guarantee/FDR in the office of the **Executive Engineer, Gosikhurd Rehabilitation Divisional Unit, Nagpur** within **8 days** of opening of Envelope-2. This duration of 8 days will not be relaxed under any circumstances. Name of work and e-tender number shall be written on the envelope. Failure to do so will result in forfeiture of EMD and the Contractor shall debar from participating in any bid of Water Resource Departemnt / Corporation **for next 2 years**. Only L1 bidder shall submit the additional performance security after opening of the financial bid.
- xxii) The Executive Engineer will refund the amount of performance security **within 1 months from satisfactory completion of work**.
- xxiii) Earnest Money Deposit /Security Deposit/ Additional Performance Security of the bidder/ contractors shall be forfeited, if bidder submits false documents / Demand Draft/ Bank Guarantee from period of submission of bid to completion of defect liability period. Also, the contractor shall be debarred from participating in any bid of Water Resources Department for **next 3 Year**.
- xxiv) Executive Engineer shall issue the work order only after encashing the Demand Draft of the lowest bidder.

Contractor

No of Corrections

SDO/AE1

Executive Engineer

**(C) Security deposit on account of additional work as per provision of clause 14, 38 and extra items:-**

During the course of execution of work if the amount of work is increased as per the provision of clause 14, 38 and due to extra items then additional security deposit will be deducted from the bills as provided in memorandum at e (i).

**(D)** If the bidder's offer is more than 10 % of cost put to tender, then security deposit shall be increased in that proportion as per applicable rate mentioned in the tender and contractor has to deposit this additional amount before issuing of work order.

As specified at Sr. No. 4.6.5 (D) of Section IV.

**CLAUSE 2 – Compensation for Delay**

The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be proceeded with, with all due diligence (time being deemed to be the essence of the contract on the part of the contractor) and further to ensure good progress during the execution of the work, the contractor shall be bound in all cases in which the time allowed for any work exceeds one month to complete the part works in specified time slice as per programme given in Section I- Detailed Tender Notice/enclosed at the end of Schedule 'D'.

If the contractor has not achieved the target as per physical programme of all items with respect to time as given in Section I–Detailed Tender Notice/enclosed at the end of Schedule 'D' then the compensation will be recovered with prior notice to the contractor till the achievement of particular target as decided by the Engineer-in-Charge. In the event of the contractor failing to comply with this condition and the contractor shall pay as compensation an amount equal to one percent or such smaller amount as the Superintending Engineer (whose decision in writing shall be final) may decide of amount of the estimated cost of the whole work as shown by Bidder for every day that the work remains incomplete, uncommenced or unfinished after the proper dates. And further to ensure good progress during execution of the work, the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month to complete. Provided always that the total amount of compensation to be paid under the provisions of this clause shall not exceed 10 per cent of the estimated cost of the work as shown in the tender. Superintending Engineer should be the final authority in this respect.

The programme for completion of work is attached herewith. The contractor is supposed to carry out the work and keep the progress as per programme attached herewith. The contractor should complete the work as per phase period given in Month wise programme.

**CLAUSE 3 – Action when whole of security deposit is forfeited**

In any case in which under any clause of this contract the contractor shall have rendered himself liable to pay compensation amounting to the whole of security deposit whether paid in one sum or deducted by installments or in the case of abandonment of the work owing to serious illness or death of the contractor or any other cause the Executive Engineer, on behalf of the Corporation, shall have power to adopt any of the following courses, as he may deem best suited to the interest of Corporation.

(a) To rescind the contract (for which rescission Notice in writing to the contractor under the hand of Executive Engineer shall be conclusive evidence) and in that case the security deposit of the contractor shall stand forfeited and be absolutely at the disposal of Corporation.

(b) To carry out the work or any part of the work departmentally debiting the contractor with the cost of the work, expenditure incurred on tools and plant, and charges on additional supervisory staff including the cost of work-charged establishment employed for getting the un-executed part of the work completed and crediting him with the value of the work done departmentally in all respects in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract. The certificate of the Executive Engineer as to the costs and other allied expenses so incurred and as to the value of the work so done departmentally shall be final and conclusive against the contractor.

(c) To order that the work of the contractor be measured up and to take such part thereof as shall be unexecuted out of his hands, and to give it to another contractor to complete, in which case all expenses incurred on advertisement for fixing a new contracting agency, additional supervisory staff including the cost of work charged establishment and the cost of the work executed by the new contract agency will be debited to the contractor and the value of the work done or executed through the new contractor shall be credited to the contractor in all respects and in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract. The certificate of the Executive Engineer as to all the cost of the work and other expenses incurred as aforesaid for or in getting the unexecuted work done by the new contractor and as to the value of the work so done shall be final and conclusive against the contractor,

In case the contract shall be rescinded under clause (a) above, the contractor shall Not be entitled to recover or be paid, any sum for any work therefore actually performed by him under this contract unless and until the Executive Engineer shall have certified in writing the performance of the such work and the amount payable to him in respect thereof and he shall only be entitled to be paid the amount so certified. In the event of either of the courses referred to in clause (b) or (c) being adopted and the cost of the work executed departmentally or through a new contractor and other allied expenses exceeding the. value of such work credited to the contractors the amount of excess shall be deducted from any money due to the contractor, by Corporation under the contract or otherwise howsoever or from his security deposit or the sale proceeds thereof provided, however, that contractor shall have No claim against Corporation even if the certified value of the work done departmentally or through a new contractor exceeds the certified cost of such work and allied expenses, provided always that whichever of the three courses mentioned in clause (a), (b) or (c) being adopted and the cost of the work executed exceeding the value of such work credited to the contractors the amount by Corporation under the contract or otherwise.

**CLAUSE 4 - Action when the progress of any particular portion of the work is unsatisfactory.**

If the progress of any particular portion of the work is unsatisfactory, the Executive Engineer shall Not withstanding that the general progress of the work is in accordance

with the conditions mentioned in clause 2, be entitled to take action as under after giving the contractor 10 day's Notice in writing.

The Engineer-in-Charge will have to order that the work of the contractor be measured up and to take such part thereof as shall be unexecuted out of his hands, and to give it to another contractor to complete, in that case all expenses incurred to advertisements for fixing a new contracting agency, additional supervisory staff including the cost of work charged establishment and the cost of the work executed by the new contract agency will be debited to the contractor and the value of the work done or executed through the new contractor (including escalation due) shall be credited to the contractor in all respects and in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract. The certificate of the Executive Engineer as to all the cost of the work and other expenses incurred as aforesaid for or in getting the unexecuted work done by the new contractor and as to the value of the work so done shall be final and conclusive against the contractor.

In case the cost of the work executed through a new contractor and other allied expenses exceeding the value of such work credited to the contractors, the amount of excess shall be deducted from any money due to the contractor by Government or Corporation under the contract or otherwise howsoever or from his security deposit and Additional security deposit or the sale proceeds thereof provided, however, that the contractor shall have no claim against Corporation even if the certified value of the work done through a new contractor exceeds the certified cost of such work and allied expenses. The contractor shall have no claims to compensation for any loss sustained by him by reason of his having purchased, or procured any materials, or entered into any engagements, or made any advances on account of or with a view to the execution of the work or the performance of the contract. The contractor of the whole work shall Not be considered eligible to tender for the execution of work so withdrawn from this contract. The contractor will have no claim for compensation, for any loss sustained by him owing to such action.

**CLAUSE 5 – Power to take possession of or required removal of or sell contractor's plant.**

In any case in which any of the powers conferred upon the Executive Engineer by clause 3 and 4 hereof shall have become exercisable and the same shall not have been exercised the non-exercise thereof shall not constitute a waving of any of the conditions hereof and such powers shall notwithstanding be exercisable in the event of any future case of default by the contractor for which under any clauses hereof he is declared liable to pay compensation amounting to the whole of his security deposit and additional security deposit and the liability of the contractor for past and future compensation shall remain unaffected.

In the event of the Executive Engineer taking action under clause - 3, he may, if he so desires, take possession of all / any tools, plant, materials and stores in or upon the work or the site thereof or belonging to the contractor or procured by him and intended to be used for the execution of the work or any part thereof paying or allowing for the same in account at the contract rates or in the case of contract, rates not being applicable at current market rates to be certified by the Executive Engineer whose certificate thereof shall be final. In the alternative the Executive

Engineer may, after giving Notice in writing to the contractor or his clerk of the work foreman or other authorised agent require him to remove such tools, plant, materials or stores from the premises within a time to be specified in such Notice and in the event of the contractor failing to comply with any such requisition, the Executive Engineer may remove them at the contractor's expense or sale them by auction or private sale on account of the contractor and at his risk in all respects and the certificate of the Executive Engineer as to the expense of any such removal and the amount of the proceeds and expense of any such sale shall be final and conclusive against the contractor.

#### **CLAUSE 6- Extension of Time**

If the Contractor shall desire an extension of the time for completion of the work on the ground of his having been unavoidably hindered in its execution or on any other ground he shall apply in writing to the Executive Engineer before the expiration of the period stipulated in tender or before the expiration of 30 days from the date on which he was hindered as aforesaid or on which the cause for asking for extension occurred, whichever is earlier and the Executive Engineer may, with prior approval of the officer accepting the tender, if in his opinion, there are reasonable grounds for granting an extension, grant such extension as he thinks necessary or proper. The decision of the Authority accepting the tender in this matter shall be final.

#### **CLAUSE 6 (A) –**

In case of delay in handing over the land required for the work due to unforeseen causes the contractor shall not be entitled for any compensation whatsoever from Government or Corporation, on the ground that machinery or labour was idle for certain period, contractor may apply for extension of time limit which may be granted on the merit of the case.

#### **CLAUSE 7 – Completion Certificate**

On the completion of the work within a period of 30 days the contractor shall be furnished with a certificate by the Executive Engineer of such completion; but no such certificate shall be given or shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall have been executed all scaffolding, surplus materials and rubbish, and shall have cleaned off the dirt from all wood work, doors, windows, walls, floor or other parts of any building in or upon which the work, has been executed or of which he may have had possession for the purpose of executing the work or until the work have been measured by the Engineer-in-Charge or where the measurement have been taken by his subordinates until they have received approval of the Engineer-in-Charge, the said measurements being binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to the removal of scaffolding, surplus material and rubbish and cleaning of dirt on or before the date fixed for the completion of the work the Engineer-in-charge may at the expense of the contractor, remove such scaffolding surplus material and rubbish and dispose off the same as he thinks fit and clean off such dirt as aforesaid and the contractor shall forthwith pay such amount of all expenses so incurred but shall have no claim in respect of any such scaffolding or surplus materials as aforesaid except for any sum actually realised by the sale thereof.

**CLAUSE 8 - Payment on intermediate certificate to be regarded as advances.**

No payment shall be made for any work estimated to cost less than Rupees Ten Thousand till after the whole of work shall have been completed and a certificate of completion given. But in the case of works estimated to cost more than rupees ten thousand the contractor shall on submitting a monthly bill therefore be entitled to receive payment proportionate to the part of the work then approved and passed by the Engineer-in-Charge, whose certificate of such approval and passing of the sum so payable shall be final and conclusive against the contractor. All such intermediate payments shall be regarded as payments by way of advance against the final payments only and not as payments for work actually done and completed and shall not preclude the Engineer-in-charge from requiring any bad, unsound, imperfect or unskillful work to be removed or taken away and reconstructed or re-erected nor shall any such payment be considered as an admission of the due performance of the contract or any part thereof in any respect or the occurring of any claim nor shall it conclude, determine or effect in any other way the powers of the Engineer-in-Charge as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract. The final bill shall be submitted by the contractor within one month of the date fixed for the completion of the work, otherwise the Engineer in-charge's certificate of the measurements and of the total amount payable for the work shall be final and binding on all parties.

**CLAUSE 9 – Payment at reduced rates on account of items of work not accepted as completed, to be at the discretion of the Engineer-in-Charge**

The rates for several items of work estimated to cost more than Rs.1,000/- agreed to within, shall be valid only when the item concerned is accepted as having been completed fully in accordance with the sanctioned specifications. In case where the items of work are Not accepted as so completed, the Engineer-in-Charge may make payment on account of such items at such reduced rates as he may consider reasonable in the preparation of final or on Running Account bill.

**CLAUSE 10 – Bill to be submitted monthly. [Appendix-J supersedes this clause]**

**(A)** Before starting of work all the initial ground levels/ foundation levels shall be taken by the authorised Engineer of the Corporation in presence of the contractor or his authorised engineer and same shall be signed by the contractor in token of his acceptance. A computerised L-Section, Cross Sections and Plan showing levels should be prepared by contractor and submitted to Executive Engineer based on above measurements without which work will not be started. Contractor shall employ a qualified Engineer as his authorised representative to be present while taking measurements by authorised Engineer of the Corporation. Bill to be submitted monthly.

Running Account bill shall be submitted by the contractor in each month on or before 10th day for all work executed in the previous month on the basis of measurements taken by him or his authorised engineer. The measurements for payments of Running Account Bills shall be taken by the authorised Engineer of the Corporation in the presence of the contractor or his authorised engineer and shall be recorded in Measurement Book of the Corporation within 10th days after submission of bill by contractor. Based on the above

measurements by the contractor shall have to submit his Running Account Bills in the bill format given by the Corporation. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-Charge with a prior notice of 7th days to the contractor may depute a subordinate to measure the said work in presence of the contractor or his duly authorised agent whose counter signature to / on the measurements shall be sufficient warrant and Engineer-in-Charge may prepare a bill from such measurements which shall be binding on the contractor in all respects.

If the contractor or his representative doesn't remain present on the date specified for taking measurements as specified above, then the Engineer-in-Charge shall order that the measurements be taken in absence on any day after 10<sup>th</sup> days and in this eventuality the bill prepared by the Executive Engineer shall be binding on the contractor in all respects. As far as possible the payment of the bills will be made monthly to the extent of availability of funds for the work under this contract.

(C) The Running and final bill shall be submitted by the contractor within one month of issue of the completion certificate pursuant to Clause 7 of this contract. The Final bill shall be paid within 6 months of initial submission subject to the extent of availability of funds for the work under this contract. The procedure enumerated above for the Running account bills shall be applicable to the Running and final bill also.

**CLAUSE 11– Bill to be on printed forms.**

The contractor shall submit all bills on the printed forms in the format approved by the Engineer-in-Charge. The charges to be made in the bills shall always be entered at the rates specified in the tender. In the case of any extra work ordered in pursuance of these conditions and not mentioned or provided for in the tender at the rates hereinafter provided for such work.

**CLAUSE 12– Stores Supplied By Corporation --- DELETED**

**CLAUSE 12 A – DELETED**

**CLAUSE 13 - Works to be executed in accordance with specifications, drawings, and orders, etc.**

The contractor shall execute the whole and every part of the work in the most substantial and workman like manner and both as regards materials and every other respect in strict accordance with specifications. The contractor shall also confirm exactly fully and faithfully to the designs, drawing and instructions in writing relating to the work signed by the Engineer-in-Charge and lodged in his office and to which the contractor shall be entitled to have access for the purpose of inspection at such office, or on the site of the work during office hours.

The contractor will be entitled to receive three sets of contract drawings and working drawings as well as one certified copy of the accepted tender along with the work order free of cost. Further copies of the contract drawings and working drawings if required by him shall be supplied at the rate of Rs.5,000/- per set of contract drawings and Rs.300/- per working drawing except where otherwise specified.

**CLAUSE 14 - Alterations in specifications and designs not to invalidate contracts. Rates for works not entered in estimate or schedule of rates of the district. Extensions of time consequence of additions or alterations.**

The Engineer-in-Charge shall have power to make any alteration in or additions to the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during the progress of the work and the contractor shall be bound to carry out the work in accordance with any instructions in this connection which may be given to him in writing signed by Engineer-in-Charge and such alteration shall not invalidate the contract, and any additional work which the contractor may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he agreed to do the main work, and at the same rates as are specified in the tender for the main work. And if the additional and altered work includes any class of work for which no rate is specified in this contract, then such class of work shall be carried out at the rates decided as per procedure mentioned in Clause 38(3). Where, however, the work is to be executed according to the designs, drawings and specifications recommended by the contractor and accepted by the competent authority the alternations above referred to shall be within the scope of such designs, drawings, and specifications appended to the tender.

The time limit for the completion of the work shall be extended in the proportion that increase in its cost occasioned by alterations or additions bears to the cost of the original contract work and the certificate of the Engineer-in-Charge as to such proportion shall be conclusive. However, such an extension will be governed by provisions of Clause 6.

**CLAUSE 15 - No claim to any payment or compensation for alteration in or restriction of work.**

1. If at any time after the execution of the contract Documents the Engineer shall for any reason what-so-ever (other than default on the part of the contractor for which the Corporation is entitled to rescind the contract) desires that the whole or any part of the work specified in the tender should be suspended for any period or that the whole or part of the work should not be carried out at all, he shall give to the contractor a notice in writing of such desire and upon the receipt of such notice the contractor shall forthwith suspend or stop the work wholly or in part as required, after having due regard to the appropriate stage at which the work should be stopped or suspended so as not to cause any damage or injury to the work already done or endanger the safety thereof provided that the decision of the Engineer as to the stage at which the work or any part of it, could be or could have been safely stopped or suspended shall be final and conclusive against the contractor. The contractor shall have no claim to any payment or compensation whatsoever by reason of or in pursuance of any notice as aforesaid, on account of any suspension, stoppage or curtailment except to the extent specified hereinafter.

2. Where the total suspension of work ordered as aforesaid continued for a continuous period exceeding 90 days the contractor shall be at liberty to withdraw from the contractual obligations under the contract so far as it pertains to the unexecuted part of the work by giving a 10 day's prior notice in writing to the engineer, within 30 days of the expiry of the said period of 90 days, of such intention and

requiring the engineer to record the final measurement of the work already done and to pay final bill. Upon giving such notice the contractor shall be deemed to have discharged from his obligations to complete the remaining unexecuted work under the contract. On receipt of such notice the engineer shall proceed to complete the measurements and make such payment as may be finally due to the contractor within a period of 90 days from the receipt of such notice in respect of the work already done by the contractor. Such payment shall not in any manner prejudice the right of the contractor to any further compensation under the remaining provisions of this clause.

3. Where the Engineer-in-Charge is required to suspend the work for a period in excess of 30 days at any time or 60 days in the aggregate, the contractor shall be entitled to apply to the Engineer within 30 days of the resumption of work after such suspension for payment of compensation to the extent of pecuniary loss suffered by him in respect of working machinery remained idle on the site or on the account of his having to pay the salary or wages of labour engaged by him during the said period of suspension provided always that the contractor shall not be entitled to any claim in respect of any such working machinery, salary or wages for the first 30 days whether consecutive or in the aggregate or such suspension or in respect of any suspension whatsoever occasioned by unsatisfactory work or any other default on his part. The contractor shall maintain the record of idle staff, labour & machinery in prescribed format of Appendix L. The decision of the engineer in this regard shall be final and conclusive against the contractor.

#### **4. In the event of -**

- (i) Any total stoppage of work on notice from engineer under sub-clause (1) in that behalf.
- (ii) Withdrawal by the contractor from the contractual obligations to complete the remaining unexecuted work under sub-clause (2) on account of continued suspension of work for a period exceeding 90 days. OR
- (iii) Curtailment in the quantity of item or items originally tendered on account of any alternation, omission substitution in the specifications, drawings, designs or instructions under clause 14 (1) where such curtailment exceeds 25% in quantity and the value of the quantity curtailed beyond 25% of the rates for the item specified in the tender is more than Rs. 50000/-.

It shall be open to the contractor, within 90 days from the service of (i) the notice of stoppage of work or (ii) the notice of withdrawal from the contractual obligations under the contract on account of the continued suspension of work or (iii) Notice under clause 14 resulting in such curtailment to produce to the engineer satisfactory documentary evidence that he had purchased or agreed to purchase material for use in the contracted work, before receipt by him of the notice of stoppage, suspension or curtailment and require the Corporation to take over on payment such material at the rate determined by the engineer, provided, however, such rates shall in no case exceed the rates at which the same was acquired by the contractor. The Corporation shall thereafter take over the material so offered, provided the quantities offered are not in excess of the requirements of the unexecuted work as specified in the accepted tender and are of quality and specifications approved by the Engineer.

**CLAUSE 15 A – DELETED****CLAUSE 16- Time Limit For Unforeseen Claims.**

Under No circumstances whatsoever shall the contractor be entitled to any compensation from Corporation on any account unless the contractor shall have submitted a claim in writing to the Engineer-in-Charge within one month of the case of such claim occurring subject to provision in **Clauses 30 and 40** with all authentic documents any evidences in support of the claim.

**CLAUSE 17 - Action and Compensation Payable in Case of Bad Work.**

If at any time before the security deposit or any part thereof is refunded to the contractor it shall appear to the Engineer-in-Charge or his subordinates in charge of the work, that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of inferior quality, or that any materials or articles provided by him for the execution of the work are unsound, or of any quality inferior to that contracted for or are otherwise not in accordance with the contract, it shall be lawful for the Engineer-in-Charge to intimate this fact in writing to the contractor and notwithstanding the fact that the work, materials or articles complained of may have been inadvertently passed, certified and paid for, the contractor shall be bound forthwith to rectify, or remove or reconstruct the work so specified in whole or in part, as the case may require or if so required, shall remove the materials or articles so specified and provide other proper and suitable materials or articles at his own charge and cost and in the event of his failing to do so within a period to be specified by the Engineer-in-Charge in the written intimation aforesaid, the contractor shall be liable to pay compensation at the rate of one percent on the amount of the tender for every day not exceeding 10 days, during which the failure so continues and in the case of any such failure the Engineer-in-Charge may rectify or remove and re- execute the work or remove, and replace the materials or articles complained of as the case may be at the risk and expense in all respects of the contractor should the Engineer-in-Charge consider that any such inferior work or materials as described above may be accepted or made use of it shall be within his discretion to accept the same at such reduced rates as he may fix therefor, subject to Clause -9.

**CLAUSE 18 -Work to be open for inspection contractor or responsible agent to be present.**

All works under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of the Engineer-in-Charge and his subordinates and the contractor shall at all times during the usual working hours and at all other times at which reasonable notice of the intention of the Engineer-in-Charge and his subordinate to visit the work shall have been given to the contractor either himself be present to receive orders and instructions or have responsible agent duly accredited in writing present for that purpose. Orders given to the contractor's duly authorised agent shall be considered to have the same force and effect as if they had

been given to the contractor himself. Contractor should provide for safe arrangement for inspection of work at his cost.

**CLAUSE 19 - Notice to be given before work is covered up**

The contractor shall give not less than five days notice in writing to the Engineer-in-Charge or his subordinate in charge of the work before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof taken before the same is so covered up or place beyond the reach or measurements and shall not cover up any work without the consent in writing of the Engineer-in-Charge or his subordinate in charge of the work, and if any work shall be covered up or placed beyond the reach of measurement, without such notice having been given or consent obtained the same shall be uncovered at the contractor's expense and in default thereof no payment or allowance shall be made for such work or for the materials with which the same was executed.

**CLAUSE 20 - Contractor liable for damage done and for imperfections.**

If during the period specified at (h) in memorandum from the date of completion as certified by the Engineer-in-Charge pursuant to Clause-7 of the contract or after commissioning the work, whichever is earlier in the opinion of the Engineer-in-Charge, the said work is defective in any manner whatsoever, the contractor shall forthwith on receipt of notice in that behalf from the Executive Engineer, duly commence execution and completely carry out at his cost in every respect all the work that may be necessary for rectifying & setting right the defects specified therein including dismantling and reconstruction of unsafe portions strictly in accordance with and in the manner prescribed and under the supervision of the Executive Engineer. In the event of the contractor failing or neglecting to commence execution of the said rectification work within the period prescribed therefor in the said notice and / or to complete the same as aforesaid as required by the said notice, the Executive Engineer get the same executed and carried out departmentally or by any other agency at the risk on account and at the cost of the contractor. The contractor shall forthwith on demand pay to the Corporation the amount of such costs, charges and expenses sustained or incurred by the Corporation of which the certificate of the Executive Engineer shall be final and binding on the contractor. Such costs, charges and expenses shall be deemed to be arrears of land revenue and on the event of the contractor failing or neglecting to pay the same on demand as aforesaid without prejudice to any other rights and remedies of the Corporation, the same may be recovered from the contractor as arrears of land revenue. The Corporation shall also be entitled to deduct the same from any amount which may then be payable or which may thereafter become payable by the Corporation to the contractor either in respect of the said work or any other work whatsoever or from the amount of security deposit retained by Government / Corporation.

However, for the purpose of security towards the maintenance in the defect's liability period the SD at the time of final bill shall be converted into an irrevocable BG from any branch of a Nationalized/Scheduled Bank in the State of Maharashtra, if requested by the contractor. The BG shall valid for a period one month after completion of defect liability period.

**CLAUSE 21- Contractor to supply plant, ladders, scaffolding etc. and is liable for damages arising from non provisions of light, fencing etc.**

The contractor shall supply at his own cost all material (except such special materials, if any as may, in accordance with the contract be supplied from the Corporation stores) plant, tools, appliances, implements, ladders, carriage, tackle, scaffolding and temporary work requisite for the proper execution of the work, whether in the original, altered or substituted form, and whether included in the specification or other documents forming part of the contract or referred to in these conditions or not and which may be necessary for the purpose of satisfying or complying with the requirements of the Engineer-in-Charge as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with the carriage therefore to and from the work. The contractor shall also supply without charge the requisite number of persons with the means and materials necessary for the purpose of setting out works and counting, weighing and assisting in the measurement or examination at any time and from time to time of the work or the materials, failing which the same may be provided by the Engineer-in-Charge at the expense of the contractor and the expenses may deducted from any money due to the contractor under the contract or from his security deposit or the proceeds of sale thereof or of a sufficient portion thereof. The contractor shall provide all necessary fencing and lights required to protect the public from accident and shall also be bound to bear the expenses of defense of every suit, action or other legal proceeding that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay damages and cost which may be awarded in any such suit, action or proceedings to any such person or which may with the consent of the contractor be paid in compromising any claim by any such person. List of machinery in contractor's possession and which they propose to use on the work should be submitted along with the tender. The contractor shall indemnify the Corporation against all such claims.

**CLAUSE 21 (A)-**

The contractor shall provide suitable scaffolds and working platforms, gangways and stairways and shall comply with the following regulations in connections therewith.

- a. Suitable scaffolds shall be provided for workmen for all works that can not be safely done from a ladder or by other means.
- b. Scaffold shall not be constructed, taken down or substantially altered except under the supervision of a competent and responsible person and as far as possible by competent workers possessing adequate experience in this kind of work.
- c. All scaffolds and appliances connected therewith and ladders shall be of sound material be of adequate strength having regard to the loads and strains to which they will be subjected and be maintained in proper condition.
- d. Scaffolds shall be so constructed that no part thereof can be displaced in consequence of normal use.
- e. Scaffolds shall not be overloaded and so far, as practicable the load shall be evenly distributed.
- f. Before installing lifting gear on scaffolds special precautions shall be taken to ensure the strength and stability of the scaffold.

- g. Scaffold shall be periodically inspected by the competent person.
- h. Before allowing a scaffold to be used by his workmen the contractor shall, whether the scaffold has been erected by his workmen or not, take steps to ensure that it complies fully with the regulations herein specified.
- i. Working platform, gangways, stairways shall ,be so constructed that no part thereof can sag unduly or unequally, be so constructed and maintained having regard to the prevailing conditions as to reduce as far as practicable risks of persons tripping or slipping, and be kept free from any unnecessary obstruction.
- j. In the case of working platform, gangways, working places and stairways at the height exceeding 3 meters.
  - 1. Every working platform and every gangway shall be closely boarded unless other adequate measures are taken to ensure safety.
  - 2. Every working platform and gangway shall have adequate width; and
  - 3. Every working platform, gangway, working places and stairways shall be suitably fenced.
- k. Every opening in the floor of a building or in a working platform shall except for the time and to the extent required to allow the access of persons or the transport or shifting of materials be provided with suitable means to prevent the fall of persons or materials.
- l. When persons are employed on roof where there is a danger of falling from a height exceeding 3 metres suitable precautions shall be taken to prevent the fall of persons or materials.
- m. Suitable precautions shall be taken to prevent persons being struck by articles which might fall from scaffold or other working places.
- n. Safe means of access shall be provided to all working platforms and other working places.
- o. The contractor(s) will have to make payments to the labourers as per **Minimum Wages Act** and will have strictly followed all relevant labour laws.

#### **CLAUSE 21 (B) –**

The contractor shall comply with the following regulations as regards the Hoisting Appliances to be used by him:

- a. Hoisting machine and tackle, including their attachments, anchorages and support shall-
  - i. Be of good mechanical construction, sound material and adequate strength and free from patent defect, and
  - ii. Be kept in good repair and in good working order.
- b. Every rope used in hoisting or lowering materials or as a means of suspension shall be of suitable quality and adequate strength and free from patent defect.
- c. Hoisting machine and tackle shall be examined and adequately tested after erection on a site and before use and be reexamined in position at intervals to be prescribed by the Corporation.
- d. Every chain, ring, hook, shackle swivel and pulley block used in hoisting or lowering materials or as a means of suspensions shall be periodically examined.
- e. Every crane driver or hoisting appliance operator shall be properly qualified.
- f. No person who is below the age of 18 years shall be in control of any hoisting machine, including any scaffold winch or give signals to the operator.

- g. In the case of every hoisting machine and of every chain, ring, hook, shackle, swivel pulley block used in hoisting or lowering or as a means of suspension, the safe working load shall be ascertained by adequate means.
- h. Every hoisting machine and all gear referred to in preceding regulation shall be plainly marked with the safe working load.
- i. In case of hoisting machine having a variable safe working load, each safe working load and the conditions under which it is applicable shall be clearly indicated.
- j. No part of any hoisting machine or of any gear referred to in regulation (g) above shall be loaded beyond the safe working load except for the purpose of testing.
- k. Motors, gearing transmissions, electric wiring and other dangerous part of hoisting appliances shall be provided with efficient safeguards.
- l. Hoisting appliances shall be provided with such means as will reduce to a minimum risk of the accidental descent of the load.
- m. Adequate precaution shall be taken to reduce to a minimum risk of any part of a suspended load becoming accidentally displaced.

#### **CLAUSE 22 – Measure for Prevention of fire**

The contractor shall not set fire to any standing jungle, trees, brushwood or grass without a written permit from the competent authority under the law. When such permit is given, and also in all cases when destroying out or dug up trees, brushwood, grass etc. by fire, the contractor shall take the necessary measure to prevent such fire spreading to or otherwise damaging surrounding property. The contractor shall make his own arrangements for drinking water for the labour employed by him and provide sanitary and other arrangements.

#### **CLAUSE 23 – Liability of Contractor for any Damage Done in or Outside Work Area.**

Compensation for all damages done intentionally or unintentionally by contractor's labour whether in or beyond the limits of Corporation property including any damage caused by the spreading of fire mentioned in Clause 22 shall be estimated by the Engineer-in-Charge or such other officer as he may appoint and the estimate of the Engineer-in-charge subject to the decision of the Superintending Engineer on appeal shall be final and the contractor shall be bound to pay the amount of the assessed compensation on demand, failing which the same will be recovered from the contractor as damages in the manner prescribed in clause 1 or deducted by the Engineer-in-Charge from any sums that may be due or become due from Corporation to contractor under this contract or otherwise.

The contractor shall bear the expenses of defending any action or other legal proceeding that may be brought by any persons for injury sustained by him owing to neglect of precautions to prevent the spread of fire and he shall pay any damages and cost that may be awarded by the court in consequence. The contractor shall indemnify the Corporation against all such legal actions and consequences thereto.

#### **CLAUSE 24- Employment of Female Labour**

The employment of female labour on works in neighbour- hood in soldier's barracks should be avoided as far as possible.

**CLAUSE 25 - Works on Weekly Holidays**

No work shall be done on weekly local holidays without the sanction in writing of the Engineer-in-Charge.

**CLAUSE 26 - Work not to sublet contract may be rescinded and security deposit forfeited subletting if without approval for bribing a corporation officer or contractor becomes insolvent.**

The contractor shall not be assigned or sublet without the written approval of the competent authority who has accepted the tender. And if the contractor shall assign or sublet his contract, or attempt so to do, or become insolvent or commence any proceeding to get himself adjudicated and insolvent or make any composition with his creditors; or attempt so to do or if bribe, gratuity, gift, loan, perquisite reward of advantage, pecuniary or otherwise, shall either directly or indirectly be given, promised or offered by the contractor or any of his servants or agents to any Corporation officer or person in the employ of Corporation in any way relating to his office or employment or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineer-in-Charge may thereupon by notice in writing rescind the contract and the security deposit of the contractor shall thereupon stand forfeited and he absolutely at the disposal of Corporation and the same consequences shall ensue as if the contract had been rescinded under Clause 3 hereof and in addition the contractor shall not be entitled to recover or be paid for any work there for actually performed under the contract.

**CLAUSE 27- Sum payable by way of compensation to be considered as reasonable compensation without reference to actual loss.**

All sums payable by a contractor by way of compensation under any of these conditions shall be considered as a reasonable compensation to be applied to the use of Corporation without reference to the actual loss or damage sustained and whether any damage has or has not been sustained.

**CLAUSE 28- Changes in the constitution of firm to be notified**

In the case of tender by partners, any change in the constitution of a firm shall be forthwith notified by the contractor to the Engineer-in-Charge for his information

**CLAUSE 29- Direction and Control of the Superintending Engineer.**

All works to be executed under the contract shall be executed under the direction and subject to the approval in all respects of the Superintending Engineer of the Circle, for the time being, who shall be entitled to direct at what point or points and in what manner they are to be commenced, and from time to time carried out.

**CLAUSE 30 (1)- Direction and Control of The Superintending Engineer**

Except where otherwise specified in the contract and subject to the powers delegated to him by Corporation under the code, rules then in force, the decision of the Superintending Engineer of the circle for the time being shall be final, conclusive and binding on all parties of the contract upon all question relating to the meaning of the specifications, designs, drawings and instructions herein before mentioned and as to the

quality or workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever, if any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same, whether arising during the progress of the work or after the completion or abandonment thereof.

**CLAUSE 30 (2)- Direction and Control of the Superintending Engineer**

The contractor may within thirty days of receipt by him of any order passed by the Superintending Engineer of the Circle as aforesaid appeal against it to the Chief Engineer concerned with the contract work or project provided that-

- a. The accepted value of the contract exceeds Rs.100 Lakhs (Rs. One Hundred Lakhs).
- b. Amount of claim is not less than Rs.1 lakhs (Rupees one Lakhs).

**CLAUSE 30 (3)- Direction and Control of the Executive Committee / Claims Committee**

If the contractor is not satisfied with the order passed by the Chief Engineer as aforesaid, the contractor may, within thirty days of receipt by him of any such order, appeal against it to the Executive Director of the Corporation who if convinced that prima-facia the contractor's claim rejected by Superintending Engineer / Chief Engineer is not frivolous and that there is some substance in the claim of the contractor as would merit a detailed examination and decision by the Executive Committee at Corporation level for suitable decision shall put up to such committee for decision in respect of claims up to Rs. 50 lakhs and to claims committee at Government level in respect of other claims.

**CLAUSE 31- Stores of International Manufacture To Be Obtained From The Corporation.**

**DELETED**

**CLAUSE 32- Lump sum in estimates**

When the estimate on which a tender is made includes lump sums in respect of parts of the work contractor shall be entitled to payment in respect of the item of work involved or the part of the work in question at the same rates as are payable under this contract for each item, or if the part of work in question is not in the opinion of the Engineer-in-Charge capable of measurement, the Engineer-in-Charge may at his discretion pay the lump sum amount entered in the estimate and the certificate in writing of the Engineer-in-Charge shall be final and conclusive against the contractor with regard to any sum or sums payable to him under the provision of this clause.

**CLAUSE 33- Actions where no specifications**

In the case of any class of work for which there is no such specification as is mentioned in rule, such work shall be carried out in accordance with the divisional specifications and in the event of there being no divisional specification, then in such case the work shall be carried out in all respects in accordance with all instructions and requirements of the Engineer-in-Charge.

**CLAUSE 34- Definition of work.**

The expression 'Work ' or 'Works ' where used in these condition shall unless there be something in the subject or context repugnant to such construction, be construed to mean the work or works contracted to be executed under or in by virtue of the contract, whether temporary or permanent and whether original, altered, substituted or additional.

**CLAUSE 35- Contractors Percentage Whether Applied To Net or Gross Amount of Bill**

**CLAUSE 36- Payment of quarry fees and Royalties****A) Payment of Quarry fees and Royalties.**

All quarry fees, royalties, octroi dues and ground rent for stacking materials, if any shall be paid by the contractor, as per latest G.R. issued by Govt. of Maharashtra.

**The tender rates are exclusive of royalty charges.** The contractor is liable under Maharashtra Minor Minerals Extraction Rules 2013 and amendment thereof and the contractor shall take all steps necessary as are essential in terms of Maharashtra Minor Minerals extraction rules 2013 and amendment thereof. The bill wise Current Rate royalty charges for construction material paid by the contractor shall be calculated separately and amount so calculated shall be reimbursed to the contractor on production of proof, only in the form of certificate from the mining officer, of payment of royalty charges to the Revenue Department of Government of Maharashtra. The Contractor shall be solely responsible for payment of quarry fees, royalty charges etc.

**No Price escalation will be paid on Royalty.**

**CLAUSE 37- Compensation under workmen's compensation Act.**

The contractor shall be responsible for and shall pay any compensate to his workmen payable under **The Workmen's Compensation Act, 1923 (VIII of 1923) and amendment thereof** (hereinafter called the said Act) for injuries caused to the workmen. If such compensation is payable and / or paid by Corporation as principle under sub-section (1) of section 12 of the said Act on behalf of the contractor, it shall be recoverable by Corporation from the contractor under sub-section (2) of the said section. Such compensation shall be recovered in the manner laid down in Clause 1 above. The contractor shall indemnify the Government / Corporation against such compensation.

**CLAUSE 37 (A)-**

The contractor shall be responsible for and shall pay the expenses of providing medical aid to any workmen who may suffer a bodily injury as a result of an accident. If such expenses are incurred by Corporation the same shall be recoverable from the contractor forthwith and be deducted without prejudice to any other remedy of Corporation from any amount due or that may become due to the contractor.

**CLAUSE 37 (B)-**

The contractor shall provide all necessary personal safety equipment and first aid apparatus available for the use of the persons employed on the site and shall maintain the same in condition suitable for immediate use at any time and shall comply with the following regulations in connection therewith.

(a) The workers shall be required to use the equipment so provided by the contractor and the contractor shall take adequate steps to ensure proper use of the equipment by those concerned.

(b) When work is carried on in proximity to any place where there is a risk of drowning all necessary equipment shall be provided and kept ready for use and all necessary steps shall be taken for the prompt rescue of any person in danger.

(c) Adequate provision shall be made for prompt first-aid treatment of all injuries likely to be sustained during the course of the work

**CLAUSE 37 (C) -**

The contractor shall duly comply with the provisions of The Apprentices Act, 1961 (III of 1961), the rules made there under and the orders that may be issued from time to time under the said Act and the said rules and on his failure or neglect to do so, he shall be subject to all the liabilities and penalties provided by the said Act and said Rules.

**CLAUSE 38- Claim for quantities entered in the tender or estimates**

- 1) Change in quantities shall not vitiate the contract.
- 2) Quantities in respect of the several items shown in the schedule B of the tender are approximate and No revision in the tendered rates shall be permitted in respect of any of items, so long as subject to any special provision contained in the specification prescribing different percentage of permissible variation the quantity of item, does not exceed the tender quantity by more than 25 % & so long as the value of the excess quantity beyond this limit at the rate of the item specified in the tender is not more than Rs.50,000/-.
- 3) Quantities in respect of the several items shown in the Schedule – B of the tender are approximate.
- 4) The contractor shall if ordered in writing by the Engineer in charge to do so also carry out any quantities in excess on the same conditions as and in accordance with the specifications in the tender and at the agreed rates (i) agreed rate plus escalation (ii) CSR rate applicable on the crop up date of specified item, for quantity exceeds above 125% whichever is less.
- 5) This clause is Not applicable to extra items.
- 6) The price variation clause shall be applicable for these extra quantities as the described below,
  - a) If current C.S.R rate is considered applicable after assessment as described in Para (4) above, then Price Variation for these extra quantities (beyond 125%) shall be calculated, with the initial basic index, existing on the date, when quantity exceeds more than 25% in schedule B. The rates once decided as above shall not be revised till completion of the quantity under that item.

- b) If agreement rate is considered applicable after assessment as described in Para (4) above, then the Price Variation Clause shall be applicable for these extra quantities with the initial basic index as average for the quarter (average of three months) preceding the month in which the last date is prescribed receipt of tender.
- 7) For any item under agreement, if actual quantities exceed than Schedule B quantities, and if excess liability (actual cost exceeds agreement cost) is involved then prior sanction for excess liability over & above the agreement cost shall be essential to be obtained from VIDC and. VIDC's decision on the issue will be binding on the contractor. In case of excess liability without prior approval of VIDC, no excess quantities beyond schedule B quantities shall be executed.

#### **CLAUSE 39- Employment of Female Labour**

The contractor shall employ any female labour, convict or other labour of a particular kind of class if ordered in writing to do so by the Engineer-in-charge.

#### **CLAUSE 40- No Claim for Compensation for Delay in Starting Work.**

No compensation shall be allowed for any delay caused in the starting of the work on account of acquisition of land or in the case of clearance work on any account of any delay in accordance to sanction of estimates.

#### **CLAUSE 41- No Claim for Compensation for Delay in Execution of Work.**

No compensation shall be allowed for any delay in the execution of the work on account of water standing in borrow pits or compartments. The rates are inclusive for hard or cracked soil, excavation in mud, sub-soil, water standing in borrow pits and no claim for an extra rate shall be entertained unless otherwise expressly specified in this regard.

#### **CLAUSE 42- Entering Upon or Commencing Any Portion of Work**

The contractor shall not enter upon or commence any portion of the work except with the written authority and instructions of the Engineer-in-Charge or of his subordinate in charge of the work. Failing such authority, the contractor shall have no claim to ask for measurements of or payment of work.

#### **CLAUSE 43- Minimum age of persons employed, the employment of donkeys and other animals**

- i. No contractor shall employ any person who is under the age of 18 years.
- ii. No contractor shall employ donkeys or other animals with breeching of string or thin rope. The breeching must be at least three inches wide and should be of tape (Newar).
- iii. No animal suffering from sores, lameness or emaciation or which is immature shall be employed on the work.
- iv. The Engineer-in-Charge or his agent is authorised to remove from the work, any person or animal found working which does not satisfy these conditions and no responsibility shall be accepted by the Corporation for any delay, caused in the completion of the work by such removal.

- v. The contractor shall pay fair and reasonable wages which will not be below the minimum wages to the workmen employed by him in the contract undertaken by him. In the event of any dispute arising between the contractor and his workmen on the grounds that the wages paid are not fair and reasonable, the dispute shall be referred without delay to the appropriate Government Authority concerned with labour who shall decide the same. The decision of the said Authority shall be conclusive and binding on the contractor but such decision shall Not in any way affect the conditions in the contract regarding the payment to be made by the Corporation at the sanctioned tender rates.
- vi. Contractor shall provide drinking water facilities to the workers. Similar amenities shall be provided to the workers engaged on large work in urban areas.
- vii. Contractor to take precaution against accidents which takes place on account of labour using loose garments while working near machinery.
- viii. All facilities provided in the contract labour (Regulation & Abolition Act, 1970), the Maharashtra Contract Labour Regulation and Abolition Rule, 1971, should be provided.

#### **CLAUSE 44- Method of Payment**

Payment to contractors shall be made by cheque drawn on any Scheduled / Nationalised bank provided the amount exceeds Rs.500/-, amounts Not exceeding Rs.500 will be paid in cash.

#### **CLAUSE 45- Acceptance of conditions Compulsory before tendering the Work.**

Any contractor who does not accept these conditions shall not be allowed to tender for works.

#### **CLAUSE 46- Employment of Scarcity Labour.**

If Government declares a state of scarcity or famine to exist in any village situated within 16 kilometres of the work, the contractor shall employ upon such parts of the work, as are suitable for unskilled labour, any person certified to him by the Executive Engineer, or by any person to whom the Executive Engineer may have delegated this duty in writing to be in need of relief and shall be bound to pay to such person wages not below the minimum which the government may have fixed in this behalf. Any disputes which may arise in connection with the implementation of this clause shall be decided by the Executive Engineer whose decision shall be final and binding on the contractor.

#### **CLAUSE 47-**

The price quoted by the contractors shall not in any case exceed the control price, if any, fixed by Government or reasonable price which it is permissible for him to charge a private purchaser for the same class and description, the controlled price or price permissible under hoarding and Profiteering prevention ordinances, 1948, as amended from time to time. If the price quoted exceeds the controlled price or the price permissible under Hording and Profiteering Prevention Ordinance, the contractor will specifically mention this fact in his tender along with the reasons for quoting such higher price. The purchaser at his discretion will in such case exercise the right of revising the price at any stage so as to

conform with the controlled price as permissible under the Hoarding and Profiteering Prevention Ordinance. This discretion will be exercised without prejudice to any other action that may be taken against the contractor

**CLAUSE 48- Good and services Act-2017 (GST)**

As the tender cost is exclusive of GST, therefore bidder shall quote his rate without considering GST. Though the tender rates are not inclusive of GST, the contractor shall pay GST as per the provisions contained under GST Act 2017 on the amount of bill of the work done as per the prevailing rate of GST during the period of work done as applicable. This amount of GST paid by the contractor as per prevailing GST rules, will be reimbursed to the contractor on production of proof of payment of GST to the concern department of Government.

At the time of payment, T.D.S. under GST @ rate 2% (1% CGST and 1% SGST/IGST as applicable) or at prevailing rate as per Government notification shall be deducted from bill amount.

**CLAUSE 49-**

In case of materials that may remain surplus with the contractor from those issued for the work contracted for the date of ascertainment of the materials being surplus will be taken as the date of sale for the purpose of sales tax and the sales tax will be recovered on such sale.

**CLAUSE 50-**

The contractor shall employ the unskilled labour to be employed by him on the said work only from locally available labour and shall give preference to those persons enrolled under Maharashtra Government Employment and Self Employment Department's Scheme. Provided, however, that if the required unskilled labours are not available locally, the contractor shall in the first instance employ such number of persons as is available and thereafter may with previous permission. In writing of the Executive Engineer in charge of the said work, obtain the rest of the requirement of unskilled labour from outside the above Scheme.

**CLAUSE 51- Wages to Be Paid To the Skilled and Unskilled Labourers Engaged By the Contractor.**

The wages to be paid to skilled and unskilled labourers engaged by the contractor. The contractor shall pay the labourers skilled and unskilled, according to the wages prescribed by **the Minimum Wages Act of 1948 the amendments thereof** applicable to the area in which the work of the contractor is located.

Contractor shall comply with the provisions of **Apprentices Act 1961** and the rules and orders issued there under from time to time if he fails to do so his failure will be a breach of the contract and the Suprintending Engineer may in his discretion cancel the contract. The contractor shall also be liable for any pecuniary liability arising out on account of any violation by him of the provisions of act.

The contractor shall pay the labourers skilled and unskilled, according to the wages prescribed by the **Minimum Wages Act of 1948** applicable to the area in which the work of the contractor is in progress.

**CLAUSE 52- P.W.DEPT.NO.CAT/ 1284(120)/ BUILDING-2 DATED 14-8-85.**

All amounts whatsoever which the contractor is liable to pay to the Corporation in connection with the execution of the work including the amount payable in respect of (i) materials and / or stores supplied / issued hereunder by the Corporation to the contractor (ii) hire charges in respect of heavy plant, machinery and equipment given on hire by the Corporation to the contractor for execution by him of the work and / or on which advances have been given by the Corporation to the contractor shall be deemed to be arrears of the Land Revenue and the Corporation may without prejudice to any other rights and remedies of the Corporation recover the same from the contractor as arrears of Land Revenue.

**CLAUSE 53- P.W.DEPT.NO.CAT/1284(120)/ BUILDING-2 DATE 14-8-85.**

The contractor shall duly comply with all the provisions of the Contract Labour (Regulation and Abolition) Act, 1970 (37 of 1970) and the Maharashtra Contract Labour (Regulation and Abolition) Rules, 1971 as amended from time to time and all other relevant statutes and statutory provisions concerning payment of wages particularly to workmen employed by the contractor and working on the site of the work. In particular the contractor shall pay wages to each worker employed by him on the site of the work at the rates prescribed under the Maharashtra Contract Labour (Regulation and Abolition) Rules, 1971. If the contractor fails or neglects to pay wages at the said rates or makes short payment and the Corporation makes such payment of wages in full or part thereof less paid by the contractor, as the case may be, the amount so paid by the Corporation to such workers shall be deemed to be arrears of Land Revenue and the Corporation shall be entitled to recover the same as such from the contractor or deduct the same from the amount payable by the Corporation to the contractor hereunder or from any other amounts payable to him by the Corporation.

**CLAUSE 54-**

The contractor shall duly comply with all the provision of the Maharashtra State Tax on profession and Traders, calling and Employment Act, 1845 (See Rule 3 (2) ). The contractor shall obtain certificate of registration under this Act and shall produce to Corporation clearance certificate as and when demanded.

**CLAUSE 55-**

The contractor shall comply with all provisions of GST on the transfer of goods involved in the execution of work contracts.

**CLAUSE 56- Conditions Relating To Insurance Of Contract Work****Insurance Charges:-**

- 1) Insurance charges are to be paid by the contractor to the Director of Insurance Maharashtra State, Mumbai.
- 2) Insurance amount will be reimbursed to contractor as per conditions mentioned Below.
  - a. The contractor shall submit proof of insurance policies to the Engineer in charge.
  - b. After verification of record submitted by the contractor the total amount that can be released shall be limited to the actual payment made as mentioned in condition (a) limited to 1% of tender cost.

**Though the tender rates are not inclusive of insurance amount.** The Contractor shall take out necessary Insurance Policy / Policies (viz. Contractor's All risks insurance Policy, Erection all risks insurance policy, etc. as decided by the Directorate of Insurance) so as to provide adequate insurance cover for execution of the awarded contract work for total contract value and complete contract period compulsorily from the **"Directorate of Insurance, Maharashtra State, Mumbai" only** and will be reimbursed after submitting & verifying proof of insurance policy submitted by the Contractor.

Its postal address for correspondence is- 264, MHADA, First floor, Opp. Kalanagar, Bandra (East), Mumbai - 400051. (Telephone No.022- 26590403 / 26590690 and Fax No.022-26592461 / 26590403).

Similarly, all workmen appointed to complete the contract work are required to insure under workmen's compensation Act.

**The contractor shall renew the insurance policy for the extended period of the contract. The contractor shall also take out additional insurance policy for the increased Contract cost.**

**The insurance policy shall be valid upto extended period.**

Executive Engineer shall withhold 1% cost put to tender, if insurance policy from Directorate of Insurance, Maharashtra State, Mumbai is not taken. Insurance Policy / Policies taken out from any other company will not be accepted. If any contractor has not taken out the insurance policy from the "Directorate of Insurance, Maharashtra State, Mumbai or has effected insurance with any other Insurance Company, the same will not be accepted and Executive Engineer shall withheld 1% cost put to work & shall be released after tender from the executed contract submitting the proof of insurance policy/ Policies & after verification of the record submitted by the Contractor, along with the amount of insurance policy submitted by the contractor.

**CLAUSE 57-**

The contractor shall comply with all rules, regulations byelaws and directions given from time to time by any local or public authority in connection with this work and shall pay fees or charges which are leviable on him without any extra cost to Corporation.

**SECTION –VIII**  
**SPECIAL CONDITIONS OF**  
**CONTRACT**

## SECTION - VIII

## SPECIAL CONDITIONS OF CONTRACT

**1. Contractor to Inform Himself Fully:**

1.1 The contractor shall be deemed to have carefully examined the work and site conditions, conditions of contract in B-1 form, the special conditions, the specifications, schedules and drawings and shall be deemed to have visited the work site, investigated his own quarries for rubble, sand, aggregates, murum, soil, etc. and to have fully informed himself regarding the availability of construction materials, and leads involved local conditions, ancillary works required to be done, etc. before quoting the offer. The lead and lift charges of construction materials are incorporated in the agreement and no additional claims will be made on this account by the contractor.

1.2 If contractor shall have any doubts as to the meaning of any portion of the special conditions or the scope of work or the specifications or any other matter concerning the contract, he shall in good time, set forth the particulars thereof and submit them to the Engineer-in-Charge.

1.3 The Engineer-in-Charge generally means the Executive Engineer directly in charge of the work, but also means the Superintending Engineer, Chief Engineer of Corporation for exercising powers under this contract.

**2. Contract Drawings and Specifications:**

2.1 On acceptance of the tender, three sets of contract drawings and working drawings as well as one certified copy of the accepted tender will be supplied to the contractor free of charge within one week. On request by the contractor, the contractor may be supplied additional copies of contract Documents to be charged at the rate of Rs.3,000/- (Rupees Three Thousand Only) per set.

2.2 The drawings which form part of this contract show the works to be done in such details as possible to do for the present. They will be supplemented for superseded by such additional detailed drawings as may be necessary as the work progresses. The contractor shall carry out the work in accordance with these additional and / or revised drawings as the case may be at the applicable rates as per the contract. The contractor shall be supplied a maximum No of three copies of each of such working drawings free of charge. If the contractor requires any additional copy for his use, the same may be supplied and the contractor will be charged Rs.5000/- (Rupees Five Thousand Only) per set of contract drawings and Rs.300/- (Rupees Three Hundred Only) for additional copy of each working drawing.

2.3 The contractor shall check all drawings carefully and intimate the Engineer-in-charge immediately any errors or omissions discovered. The contractor shall not take advantage of any kind of errors or omissions in the drawings supplied.

**3. Data and Drawings to Be Furnished By the Contractor :**

3.1 Prior to the commencement of the work, within one month from the date of his receiving notice to start work, the contractor shall submit to the Engineer-in-charge for approval, computerized drawings or prints of size 1020 mm X 690 mm or 510 mm X 345 mm as may be suitable in triplicate showing the location of major plant workshop, if any, a layout plan of construction plant and equipment for the execution of the work which

**Contractor****No of Corrections****SDO/AE1****Executive Engineer**

the contractor proposes to adopt at site, roadways, temporary bridges, unloading facilities and storage yards, etc. which he proposes to put up at the site.

3.2 Then the contractor shall submit to the engineer in charge for the approval within 7 days from the date of his receiving notice to start work, a layout plan on construction plant and equipment as the execution of the work which the contractor proposed to adopt at site.

3.3 Any changes in the approved layout will be subject to further approval by Engineer - in - charge.

3.4 The approval of the drawings, however, will not relieve the contractor of his responsibility from any errors or omissions.

#### **4. Errors, Omissions, Discrepancies :**

4.1 In case of errors, omissions and / or disagreement between written and scaled dimensions on the drawings or between the drawings and specifications, the following orders of preference shall apply.

4.1.1. Between actual scaled and written dimensions or description on drawing and corresponding one in the specification, the latter shall be adopted.

4.1.2. Between the quantities in the schedule of quantities, and those arrived at from the drawings, the former shall apply.

4.1.3. Between the written description of the item in the schedule of quantities and the detailed specifications of the same item, the latter shall be adopted.

4.2 The information in connection with the works and work site as well as specifications are contained in this book of contract in general and in particular in two parts viz. special conditions and specifications for items of work. In case of any discrepancy or repugnancy in the clauses in these sections, the specifications will prevail over special conditions.

4.3 The special conditions of contract and the specifications shall prevail over various clauses of B-1 tender form.

4.4 In all cases of omissions and / or doubts or discrepancies in the dimensions or description of any item, a reference shall be made to the Engineer-in-Charge whose elucidation, elaboration or decision shall be considered as authentic and final subject of the Clause 30 of B-1 form. The contractor shall be held responsible for any errors that may occur in the work through lack of reference and precaution.

#### **5. Use of Site :**

5.1 All land required for contractor's own use shall be arranged by the contractor from private land owner/ Revenue Department at his own cost and no claim on this account shall be entertained. If, however, spare land is available with Corporation / Government it may be handed over to contractor at the rates to be decided by the Corporation for such contract work.

5.2 All areas of operation, including those of his staff and labour colonies, in case handed over to the Contractor shall be cleared and handed over back in good condition to the Engineer-in-Charge, except the areas under works constructed by the Engineer-in-Charge, any damage or alterations made to areas which he has to hand over back or to other property or land handed over to him for the purpose of this work.

<b>Contractor</b>	<b>No of Corrections</b>	<b>SDO/AE1</b>	<b>Executive Engineer</b>
-------------------	--------------------------	----------------	---------------------------

5.3 The lands shall as hereinbefore mentioned, be handed over back to the Engineer-in-Charge within three months after the completion of the work under this contract or the termination of the contract whichever is earlier. Also, no land shall be held by the Contractor longer than the Engineer-in-Charge shall deemed necessary and the contractor shall on due Notice by the engineer-in- charge vacate and return the land which the Engineer-in-Charge may certify as no longer required by the contractor for the purpose of the works. In case the lands are not handed over back to the Corporation within the time limit; specified above, penal rent as may be decided by the Engineer-in-Charge will be recoverable and further legal action to vacate land will be taken by Engineer-in-Charge.

5.4 If the vegetation and forest is noticeable in project area, the contractor should take utmost care for the preservation of vegetation and forest. Any damage in this vegetation will have to be compensated by the contractor and decision from Engineer-in-Charge will be final and binding on contractor. Contractor shall note that any damage to the forest will attract the provision of **Forest Conservation Act, 1980**.

**6. Contractor not to Dispose off Soil, Etc.:**

The contractor shall not sell or otherwise dispose off or remove except for the purpose of this contract, sand, stone, clay, ballast, earth, rock or other substance or materials which may be obtained from the excavation made for the purpose of this contract or any produce from the site. All such substances materials and produces shall be the property of Corporation and shall be disposed off in a manner and at the place shown in the drawings or as and where the Engineer-in-Charge may direct.

**7. Gold / Silver, Minerals, Oils, Relics Etc. Found on the Site:**

All gold, silver, Oil or other minerals of any description and all precious stones, coins treasure, relics, antiquities and other similar things which shall be found in or upon the site, shall be property of Government and the contractor shall duly preserve the same to the satisfaction of the Engineer-in-Charge and shall from time to time deliver the same to such person or persons as the Engineer- in-charge may appoint.

**8. Access to Site and Work and Co-Operation with other Contractors:**

The Engineer-in-Charge may, if he considers fit, from time to time, enter on any lands which may be in the possession of the contractor under the contract for the purpose of executing any works not included in the contract and may execute such works not included in this contract by agents or by other contractors at his option and the contractor shall in accordance with the requirements of Engineer-in-Charge afford all reasonable facilities for execution of the works, including occupation of lands by structures or otherwise to any other contractor employed by the Corporation and his workmen or for the workmen of the corporation who may be employed in the execution on or near the site of work not included in the contract, or of any contract in connection with or specially to the works and in default, the contractor shall be liable to the Corporation for any delay or expenses incurred by reason of such default. The contractor shall not however, on account of any such modified, new or extra work executed by or for the sake of the Corporation be entitled to claim relief from the obligation to execute the works. The contractor shall also co-operate with other contractors with all fairness and mutual understanding and use the common facilities like access roads to quarries,

water supply arrangements etc. The contractor shall also not cause advertently or inadvertently any obstruction or impediments in the progress of the other works being executed by Corporation or through other agencies. In the event of dispute regarding the claim, the responsibility, liabilities etc. in respect of such facilities, the decision of the Engineer-in-Charge shall be final.

#### **9. Cleaning Up:**

9.1 The contractor shall at all times keep the construction areas and his colony and storage free from accumulation of waste or rejected materials.

9.2 Prior to the completion of the work, the contractor shall remove all rubbish from and around the premises and all tools, scaffolding equipment and materials which are not part of permanent structures except otherwise asked for or as provided under any other clauses of this contract, the premises will be left in a manner fully satisfactory to the Engineer-in-Charge.

#### **10. Layout of Construction Roads:**

The contractor shall have to submit detailed plan to the Engineer-in-Charge, showing the layout of the work site, roads and approach roads proposed by him, before he starts the actual work. Such a road layout plan will be scrutinized by the Engineer-in-Charge and any modifications suggested by him will be binding on the contractor. If it is decided by the Engineer-in-Charge to have some of the roads proposed by the contractor as common roads for common use of Corporation and other contractors or convenient and for compact and planned layout of work site, the contractor will be bound to construct them and allow them to be used simultaneously by other contractors and departments. In case of disputes, the decision of the Engineer-in-Charge shall be final and binding on the contractor.

#### **11. Period and Hours of Work:**

The work shall be done usually during the day time. In the interest of progress if it is felt necessary to work during night, the contractor shall obtain specific permission of the Engineer-in-Charge and adequate lighting arrangement and necessary additional safety arrangements shall be made as directed by Engineer-in-Charge.

#### **12. Signing Field Books, Longitudinal Sections, Cross Sections and Measurement Books:**

Before starting the work, and at the end before the work is covered, levels for plotting the longitudinal section (along the axis as decided by the Engineer-in-Charge or his authorized representative) and cross section of the portion of the work shall be taken by the authorized Engineer of the Corporation in the presence of the contractor or his duly authorized representative and the same shall be recorded in the measurement books and field books by the authorized Engineer of the Corporation only. If the contractor fails to sign the levels and measurements recorded by the Engineer-in-Charge or his representative in the authorized books, the same shall be final and binding on the contractor. For this purpose, suitable date or dates shall be fixed by the Engineer-in-Charge and intimated to the contractor at least three days in advance. If the contractor or his duly authorized agent fails to attend on the appointed date or dates, the levels shall be taken in his absence and such levels and longitudinal sections and cross sections based thereon shall be final and binding on the contractor. The levels will be taken on such

alignment and cross sections as will be useful for reference permanently and described under specifications for 'Excavation'. The point of locations for the level will depend upon the roughness of the area and will also be at least in conformity with the requirements of specifications for 'Excavation' as far as possible. Based on the above measurements and levels recorded by the Engineer of the Corporation, the contractor shall prepare computerized drawings of plan, L-Sections, Cross Sections etc. On A-4 size paper or on required size and submit the same to Engineer-in-Charge. Thereafter the contractor can prepare, print and submit the Running Bills along with the quality control test result in the standard format for the payment.

### **13. Programme of Construction: Work and Progress Schedules:**

The construction programme is given at Schedule 'D' of tender Documents based on which the physical programme is prepared. If the Bidder does not agree with this programmed, he shall submit his own programmed without changing total period of tender along with tender Documents inclusive of the physical programmed as stated above, subject to the provision that 100% of the work shall be completed in contract period.

In case it is subsequently found necessary to alter this programmed agreed in contract Documents, including the changes in the sequence of the items, the contractor shall submit in good time a revised programmed incorporating necessary modifications proposed and get the same approved from the Engineer-in-Charge. Additional detailed programmed for each working season, beginning from October, showing the progress to be achieved month by month for controlling items shall also be submitted to the Engineer-in-Charge not later than the 31<sup>st</sup> August preceding the working season and get approved. The Engineer-in-Charge is further empowered to ask for more detailed programme, say week by week, for any items of special importance, and contractor shall supply the same as and when asked for without delay.

The submission of the works programmed and approval to it by the Engineer-in-Charge shall not relieve the contractor of any of his duties or responsibilities under the contract, like timely completion, the damages due to flood or other natural calamities etc. The contractor shall not be entitled for any claims for any damages caused, due to particular works programmed. It is the entire responsibility of the contractor to frame the programmed after anticipating the rains, floods etc. Actual work turned out shall be mainly taken into account and not just the sum of the various payments made to the contractor. The advance on material brought to the site of work will be accounted for while arriving at the progress achieved by the contractor in terms of proportion of the total work tendered for.

### **14. Procurement, Storage And Maintaining Cement Store Account:**

14.1 Only 43 grade OPC cement shall be used for this work unless otherwise specified by Engineer-in-Charge. The cement shall conform to I.S. 8112-1989.

14.2 All cement required for the work under this contract shall be procured, well in advance by the contractor in polythene bags as received from the cement factories. In case, where batching plant is used, the procurement of cement through silo will be permitted, if requested by contractor to Engineer-in-Charge.

14.3 The contractor shall produce proof of purchase of cement from the cement factories. The purchase bill supported by Delivery Challan and Excise Gate Pass and Quality test reports which shall constitute adequate proof of purchase and shall be enclosed with the Running Account bills of work in which said cement is consumed.

14.4 Cement shall be stored in such a way as to allow the removal and use of cement in chronological order of receipt i.e., first received being first used.

14.5 Cement shall be kept in a store under double locking arrangement (one key be operated by contractor and second key be operated by the authorized person of Corporation) so that it can be taken out or fresh stock admitted with the knowledge of supervising staff of the Corporation. The watch and ward of the cement stores shall be the responsibility of the contractor.

**14.6 Daily Cement Consumption Report:**

Contractor shall maintain daily cement consumption account for each item in format as directed by Engineer-in-Charge. The daily quantity executed for all the items executed and cement consumed shall tally with the daily cement issued from store. The report of daily cement consumed, quantity executed shall be maintained by contractor on site and copy signed by the site engineer of the Corporation shall be submitted to Engineer-in-Charge. The abstract of item wise daily cement consumption and quantity executed shall be enclosed with bills by the contractor, which will form basis of payment of bills.

14.7 In the event of cement in branded bags remaining surplus due to authorized reduction in quantity of work certified by the Engineer-in-Charge and as Noticed after the issue of completion certificate, the contractor may choose any of the following three alternatives:

- a. To transfer the cement in branded bags, with prior written permission from the Engineer-in-Charge, to any of the contract work with the Corporation and account for the same therein.
- b. To sell the cement with prior written permission from the Engineer-in-Charge to any of the contractors carrying out the works on contract with the Corporation at a price to be negotiated by both the contractors and account for the same.

**14.8 Steel: The T.M.T. shall confirm to I.S.1786-1985 and M.S. steel shall confirm to I.S. 432 (Part-I) 1982 and as amended from time to time.**

**15. Quality Assurance and Testing:**

15.1 It is the responsibility of the contractor to assure the desired quality of work. Whenever the testing of construction materials are required as per the detailed specifications or otherwise required by the Engineer-in-Charge, the same shall be carried out at the laboratory, selected by the Engineer-in-Charge at Contractor's cost. The other tests of mortar, concrete, sand, coarse aggregates etc. shall be carried out in field laboratory set up by the contractor in presence of quality control representative at contractor's cost. Contractor shall through this procedure assure the quality of work.

15.2 The materials, mixes and any other arrangements, including labourers, shall be supplied by the contractor to the Corporation at contractor's cost. The samples for testing shall be taken in the presence of Engineer-in-Charge or his representative present on site. The contractor or his authorized representative shall have a free access in these

laboratories, to get himself satisfied about procedures of testing etc. Even if the contractor or his representative fails to remain present while collecting samples or testing the results will be considered as authentic and binding on the contractor.

15.3 On award of contract, the Contractors will have to provide adequate quality assurance setup including Quality Assurance Engineer backed with suitable laboratory assistants, labours and well-equipped laboratory for taking necessary field test required as per specifications and as per instructions of Engineer in charge.

15.4 Contractor shall provide all test reports of material used in the work as desired from the NABL (National Accreditation Board for Testing & Calibration Laboratories) approved laboratories and from Quality Control, MERI laboratories of the WRD. Contractor shall provide periodical quality assurance report (Weekly/ fortnightly/ monthly) to Engineer in Charge along with proofs in support of quality of material brought for the work the process/ execution of work is as per specification.

15.5 Contractor shall submit the account of all materials brought for the work, which are necessary for execution of work and any other data necessary to assess the quality of work.

15.6 If he fails to fulfill the requirement, the required manpower for testing and field laboratory with required equipments will be deployed by the Engineer in charge and the charges will be recovered from the contractor (**Provisions of Clause 4 will be applicable**) or the agreement will be revoked.

#### 15.7 Personnel For Quality Assurance

Sr. No.	Personnel with Qualification	Nos.
1	Quality Assurance Engineer (Civil Engineering Graduate with 2-Year experience in QA testing and report generation work)	One
2	Laboratory Assistants (Twelfth Pass with Science subject with 2-year experience in testing of material)	Two to Four (As per work)
3	Laboratory Attendants	Two to Four (One for each L.A.)

#### 15.8 Equipments

Sr. No.	Equipments	Apparatus for Tests
1	Earth Work – Field testing Equipments	Field density, Moisture Content, Sieves for Sand & Metal.
2	Concrete Work -	Silt, Gradation, Moisture Content, Slump, & Cube Mouldes.

15.9 The tender rates are inclusive of quality control testing charges.

#### 16. No Interest on Money Due to The Contractor:

Contractor

No of Corrections

SDO/AE1

Executive Engineer

No omission by the Engineer to pay the amount due upon measurements or otherwise shall vitiate or make void the contract nor shall the contractor be entitled to interest on any guarantee bond or payment in arrears nor on any balance which may on the final settlement of his account be found due to him.

The payments of the work done will be made as and when the funds are made available by Vidarbha Irrigation Development Corporation, Nagpur.

#### **17. Other Contractor for The Work:**

Corporation has the right to split-up the project work detailed in the Work and Site Conditions, into distinct items and this contract shall apply only to those items which shall have been specified in this contract.

Should Corporation enter into agreement with other contractors for specified items of the project work, each contractor shall co-operate with others to the fullest extent and shall allow others every facility and co-operation for execution of their works simultaneously and satisfactorily as intended in the designs, specifications and drawings.

Should there be a dispute or disagreement between the contractors for any cause whatsoever, the same shall be referred to the Engineer-in-Charge whose decision regarding the co-ordination, co-operation and facilities to be provided by any of the contractors to others shall be final and binding on all parties and such a decision or decisions shall not vitiate any contract nor absolve the contractor of his responsibilities under the contract nor form the grounds for any claim of compensation.

#### **18. Contract Documents And Matters To Be Treated As Confidential:**

All Documents, correspondence, decisions and other matters concerning the contract shall be considered as of confidential and restricted nature by the contractor and he shall not divulge or allow access thereto to any unauthorized person.

#### **19. Access to the contractor's books**

Whenever it is considered necessary by the Engineer-in-Charge to ascertain the actual cost of execution of any particular item of work or supply of plant or material he shall direct the Contractor to produce the relevant Documents such as pay-rolls, records of personnel, invoices off materials and any and all other data and documents relevant to the item or necessary to determine its cost etc. and the contractor shall when so required furnish information, pertaining to the aforesaid items in the mode and manner that may specified.

#### **20. Breach on Part of Corporation not to Annul Contract**

No breach or non-observance on the part of Corporation of any of the conditions contained herein shall annul this contract or discharge the Contractor from the observance and performance thereof, but on application to the Engineer-in-Charge, an extension of time may be given to the Contractor in respect of such breach or

non- observance by the Corporation, which shall be governed by Clause 6 of conditions of contract.

The Contractor shall not, however, be entitled to consideration or any extension of time for any item of the work unless the contractor shall have made an application in writing to the Engineer-in-Charge within one month of the arising of the cause needing such extension but the Engineer in charge may at his discretion, which shall be inclusive wise the condition regarding this period of one month. .

## **21. Local Laws**

All local laws in force at the time of entering into the contract and those enacted thereafter shall be binding on the Contractor and he shall abide by the same.

## **22. Taxes, Etc.**

All import and excise duties, sales tax, local panchayat tax and other taxes shall be borne by the Contractor and they shall be deemed to have been covered by his quoted tender rates, except that the contractor shall not be liable to any land tax for the land handed over to him for the operation in connection with this contract or for his colony or appurtenant works constructed by him for the purpose of this contract. The contractor shall also be liable to all relevant provisions of the Indian Income Tax Act which may be applicable to him from time to time. The contractor shall protect and indemnify Corporation against all claims or liabilities arising from or based on the violation of such laws, ordinances, regulations, bylaws by him or his employee.

## **23. Personnel of The Contractor:**

The Contractor shall, at all times, maintain on the work, a staff of duly qualified engineers and supervisors of sufficient experience of similar other jobs, to assure that the quality of work turned out shall be as intended in the specifications. The Contractor shall also maintain at the work a Works Manager of sufficient status, experience and office, and duly authorize him to deal with all aspects of the day-to-day work. All communications to and commitments by this Works Manager shall be absolutely binding on the Contractor.

The Contractor shall supply to the Engineer-in-Charge details of names, qualifications and experience in regards to all supervisory staff employed by the Contractor and Notify changes when made, and satisfy the Engineer-in- charge regarding the quality and sufficiency of staff thus employed.

The Engineer-in-Charge will have the unquestionable right to ask for changes in the quality and no of contractor's staff. The contractor shall on the written directives of the Engineer-in-Charge, remove from the works any person employed thereon who may in the opinion of the Engineer-in-Charge be incompetent or has misconducted himself. Such person shall not be employed again, on the work, without the written permission of the Engineer-in-Charge. The contractor shall have to submit information regarding proof of payment of Professional Tax and the clearance certificates in format vide **Appendix-H**.

**24. Death, Bankruptcy, Etc.:**

If the contractor shall die or commit any act of bankruptcy or being a corporation, commences winding up except for reconstruction purposes or carry on its business under a receiver, the executors, successors or other representatives in law of the estate of the contractor or any such receiver, liquidator or any person whom the contract may become vested shall forthwith give notice thereof in writing to the Corporation and shall for one month, during which he shall take all reasonable steps to prevent a stoppage of work, have the option of carrying out this contract subject to his or their providing such guarantee as may be required by the Corporation, but not exceeding value of the work for the time being remaining unexecuted.

In the event of stoppage of work, the period of the option under this clause shall be fourteen days only. Should the above option be not exercised, the contract may be terminated by Corporation, by a notice in writing to Contractor or his successor. The power and provisions reserved to Corporation in this contract of taking of the work out of the Contractor's hand shall immediately become operative. Copy of such notice shall be pasted on work site and advertised in newspaper.

**25. Notices, How to be Given:**

Where any legal or other notice or any other documents or any other direction is to be given to or served upon the Contractor, it shall be deemed to be duly given or served, if it shall have been either delivered to him personally or to his recognized agent or Works Manager (including in the case of Company, the Secretary of Such Company) or delivered at or sent through the post, addressed to the last known place of business, or abode of the Contractor, a notice or other Documents which shall be so given to or so served on any one of the partners in such firms, shall be deemed to have been given or served on all of them.

**25.a. Work Order Book:**

The contractor shall maintain bound work order book at work site as the Engineer-in-Charge may direct. This work order book shall have machine Numbered pages in triplicate. The contractor shall make them available to the Engineer-in-Charge or his representative, whenever called for. Executive Engineer or his representative may record order about works, in this book leaving the original copy in the book and removing the second and third copy with him. The contractor or his authorized representative shall also sign this work order, in token of its acceptance. All orders recorded in these work order book, shall be deemed to have been served on the contractor. On completion of the work all the work order books may be handed over to the Executive Engineer. In the event of refusal of the Contractor's representative on the spot to sign the work order book, Engineer-in-Charge shall take the necessary further steps in respect of further communication and control, modification or stoppage of work as deemed fit at the entire responsibility of the contractor.

**26. Passing of Foundation etc.:**

After the completion of the work of excavation, the same will be checked and passed by the Engineer-in-Charge as per the powers vested in them. No masonry or concrete or backfilling shall be laid unless the foundation is so passed. No concreting shall

commence unless the centering and the reinforcement is checked and passed by the Engineer-in-Charge.

**27. Reference to Standard Specifications:**

The specifications of the work as enclosed with this contract Documents are drawn with a specific reference to site conditions and do Not everywhere include the details of the standard tests and procedures which are already laid down and available in the current Indian Standard Specifications. Wherever such details are Not specified in this contract, the provision under current Indian Standard Specifications and / or the Standard Specifications (1970) of the Government of Maharashtra shall be deemed to be applicable.

**28. Communication and Notices by Contractors:**

All communications and/or notices pertaining to works and concerning matters, such as passing and approving of foundations, reinforcement and formwork, measurements, mark outs etc. shall be addressed by the Contractor to the Engineer-in-Charge. All such notices communications, etc. shall be addressed in good time so as not to hold up the work.

**29. Non-Compliance of Contract Conditions:**

If the contractor shall neglect or fail to proceed with the works, with due diligence or he violates any of the provisions of the contracts the Engineer-in- charge may give notice to the contractor, indentifying deficiencies in performance and demanding corrective action. The Engineer-in- charge, shall also clearly state in the notice the nature of action, that shall be taken, if contractor fails to fulfill by necessary corrective action.

Depending on nature of default the Engineer-in-Charge at his discretion, shall have two options, regarding action to be taken in case of default by contractor. He shall withhold any of the payments due to the contractor or shall terminate the contract in whole or in part. But Engineer-in-Charge shall, clearly mention in his notice, the action that shall be taken if the contractor fails to take the corrective action. The period of 14 days shall be given to the contractor to take such corrective action after the issue of such notice.

No claims, for compensation of any sort, from contractor will be entertained for withholding the bills indefinitely till specified requirements are complied with by the contractor. After the issue of the notice about default by the contractor, the contractor shall not remove, from the site any plant, equipment and materials. The Corporation shall have a lien on all such plants, equipments and materials, from the date of such Notice, till deficiencies have been corrected.

**30. Extra Items:**

Extra items of work shall Not vitiate the contract. The Contractor shall be bound to execute extra items of work as directed by the Engineer-in-Charge. The rates for extra items will be governed by the provisions of **clause 14 and 30 of conditions** of contract. If the accepted bid is higher than estimated cost, the rates derived as per current DSR shall be applicable. But if the accepted bid is lower than estimated cost, the rates derived as per current DSR shall be reduced by percentage quoted by the contractor. However no extra items can be started without prior written permission for the Engineer-in-Charge. The

escalation is not payable for the extra items, since the rates for them are the fixed as per the current DSR or as mutually agreed, See 31 (B) iii

### 31. Price Variation:

**(A) Price Variation (Vide PWD GR No. CAT 06/04/148/Bldg.2, Dtd.16/05/2005& WRD Govt. Resolution no. Tender 0417/C.No. 247/17 /M.P.-1 Mantralaya Mumbai Date 30/11/2018 )**

(A) If during the operative period of the Contract as defined in condition (i) below, there is any variation in the Consumer Price Index (New Series) for industrial workers for Nagpur centre as per the Economic Bulletin & Indices published by the Directorate of Economics & Statistics, Planning Department Government of Maharashtra and/or in the Whole-sale Price Index for all commodities, prepared by the office of Economic Adviser, Ministry of Commerce & Industry, Government of India, or in the price of petrol/oil and lubricants and major construction materials like bitumen, cement, steel, various types of metal pipes etc., then subject to the other conditions mentioned below, price adjustment on account of

1. Labour Component
2. Material Component
3. Petrol, Oil and Lubricants Component
4. Bitumen Component-As per Actual
5. TMT and Mild Steel Component -As per Actual
6. Cement Component -As per Actual

Calculated as per formula here in after appearing, shall be made. Apart from these, No other adjustments shall be made to the contract price for any reasons whatsoever component percentages as given below are as of the total cost of work put to tender excluding star rate items. Total of Labour, Material & POL components shall be 100 and other components shall be as per actual.

- |   |   |               |
|---|---|---------------|
| 1. Labour Component                     | - | K1 ( ---- %)  |
| 2. Material Component                   | - | K2 ( ---- %)  |
| 3. Petrol, Oil and Lubricants Component | - | K3 ( ----- %) |
| 4. Bitumen Component                    | - | Actual        |
| 5. TMT and Mild Steel Component         | - | Actual        |
| 6. Cement Component                     | - | Actual        |

**Note:** -If Cement, Steel, Bitumen C.I. & D.I. Pipes are supplied on Schedule 'A', then respective component shall not be considered. Also, if particular component is not relevant same shall be deleted.

Basic Star Rate for Materials:-				
1	T.M.T. Steel	Rs. -----/-	per MT	
2	Cement	Rs. -----/-	per bag	

#### 1. Formula for Labour Component-

$$V_1 = 0.85 \times P \times [K_1 / 100] \times [L_1 - L_0 / L_0]$$

Where,

V<sub>1</sub> = Amount of price variation in Rupees to be allowed for Labour Component.

P = Cost of work done during the quarter under consideration (Excluding royalty of materials) minus the cost of Cement, TMT and Mild Steel, Bitumen calculated at the basic star rates as applicable for the tender, consumed during the quarter under consideration.

K<sub>1</sub> = Percentage of Labour Component as indicated above.

L<sub>0</sub> = Basic consumer price index for Nagpur center shall be average consumer price index for the quarter preceding the month in which the last date prescribed for *on-line* submission of tender falls.

L<sub>1</sub> = The average consumer price index for Nagpur center for the quarter under consideration.

## 2. Formula for Material Component-

$$V_2 = 0.85 \times P \times [K_2 / 100] \times [M_1 - M_0 / M_0]$$

Where,

V<sub>2</sub> = Amount of price variation in Rupees to be allowed for materials component.

P = Same as worked out for labour component.

K<sub>2</sub> = Percentage of Materials Component as indicated above.

M<sub>0</sub> = The basic wholesale price index for shall be average wholesale price index for the quarter preceding the month in which the last date prescribed for *on-line* submission of tender falls.

M<sub>1</sub> = Average wholesale price index during the quarter under consideration.

## 3. Formula for Petrol, Oil and Lubricant Component

$$V_3 = 0.85 \times P [K_3 / 100] \times [P_1 - P_0 / P_0]$$

Where,

V<sub>3</sub> = Amount of price variation in Rupees to be allowed for P.O.L. Component.

P = Same as worked out for labour component.

K<sub>3</sub> = Percentage of Petrol, Oil and Lubricant Component.

P<sub>0</sub> = Average price of H.S.D. at nearest petrol pump to the work site during the quarter preceding the month in which the last date prescribed for on-line submission of tender falls.

P<sub>1</sub> = Average price of H.S.D. at nearest petrol pump to the work site during the quarter under consideration.

## 4. Formula for Bitumen Component:

$$V_4 = QB (B_1 - B_0)$$

Where,

V<sub>4</sub> = Amount of price variation in Rupees to be allowed for Bitumen Component.

QB = Quantity of bitumen (Grade) in metric tonne used in the permanent works and approved enabling works during the quarter under consideration.

$B_0$  = Basic rate of Bitumen in rupees per metric tonne as considered for working out value of P or average ex-refinery price in rupees per metric tonne including taxes ( octroi , excise, sales tax, GST, as applicable) of Bitumen for the grade of Bitumen under consideration prevailing quarter preceding the month in which the last date prescribed for *on-line* submission of tender falls, whichever is higher.

$B_1$  = Current average ex-refinery price per metric tonne of Bitumen (Grade) under consideration including taxes (octroi , excise , sales tax, GST, as applicable) during the quarter under consideration.

#### 5. Formula for TMT. and mild Steel Component: --

$$V5 = S_0 (SI_1 - SI_0) / SI_0 \times T$$

V5= Amount of price variation in Rupees to be allowed for T.M.T./Mild Steel component.

$S_0$  = Basic rate of TMT / Mild Steel in Rupees per metric tonne as considered for working out the value of P.

$SI_1$  = Average steel index as steel - as per Economic Advisors Web Site during the quarter ~~as defined above at (1)~~ under consideration.

$SI_0$  = Average steel index as steel as per Economic Advisors Web Site for the preceding the quarter in which the last date prescribed for *on-line* submission of tender falls.

T = Tonnage of steel used in the permanent works for the quarter ~~as defined above at (1)~~ under consideration.

#### 6. Formula for cement component:

$$V6 = C_0 (CI_1 - CI_0) / CI_0 \times T$$

V6= Amount of price escalation in Rupees to be allowed for cement component.

$C_0$  = Basic rate of cement in Rupees per metric ton as considered for working out the value of P.

$CI_1$  = Average cement index for Cement (Type As applicable) published in the Economic Advisors Web Site for the quarter under consideration.

$CI_0$  = Average of cement index for Cement (Type As applicable) published in the Economic Advisors Web Site for the Quarter preceding the month in which the last date prescribed for *on-line* submission of tender falls.

T = Tonnage of cement used in the permanent works for the quarter under consideration.

#### B. The following conditions shall prevail:

- i. The Operative Period of the contract shall mean the period commencing from the date of the work order issued to the Contractor and ending on the date on which the time allowed for the completion of the work specified in the Contract for work expires, taking into consideration the extension of time, if any, for completion of the work granted by Engineer-in-Charge under the relevant clause of the conditions of contract

in cases other than those where such extension is necessitated on account of default of the contractor. The decision of the Engineer-in-Charge as regards the Operative Period of the contract shall be final and binding on the contractor. Where any compensation for liquidated damages is levied on the contractor on account of delay in completion or inadequate progress under the relevant contract provisions, the price adjustment amount for the balance of work from the date of levy of such compensation shall be worked out by pegging the indices L<sub>1</sub>, M<sub>1</sub>, C<sub>1</sub>, P<sub>1</sub>, B<sub>1</sub>, S/1, and C/1 to the levels corresponding to the date from which such compensation is levied.

- ii. This Price variation Clause shall be applicable to all contracts in B<sub>1</sub> /B<sub>2</sub> and C form but shall Not apply to piece works. The price variation shall be determined during each quarter as per formula given above in this Clause. For the purpose of calculation, quarter means, successive three-month period, which will start from the date / month of work order.
- iii. Price Variation under this Clause shall not be payable for the extra items required to be executed during the completion of work. Since the rates payable for extra items are to be fixed as per current DSR or as mutually agreed subject to yearly revision till completion of such work.
- iv. Price Variation under this Clause shall be payable for the extra quantities under provision of Clause 38 required to be executed during the completion of work and is to be worked out as described in clause 38 Para .6 .
- v. This clause i.e. operative both ways, i.e. if the price variation as calculated above is on the plus side, payment on account of the price variation shall be allowed to the Contractor and if it is on the negative side the Government / **Corporation** shall be entitled to recover the same from the contractor and the amount shall be deductible from any amounts due and payable under the contract.
- vi. To the extent that full compensation for any rise or fall in costs to the Contractor is not entirely covered by the provision of this or other Clauses in the Contract, the unit rate and prices included in the Contract shall be deemed to include amounts to cover the contingency of such other actual rise or fall in costs.

**Note :- This clause is not applicable for Operation, Maintenance & Repair amount for stipulated period.**

**vii. No Price escalation will be paid on Royalty.**

**32. DELETED**

**33. Digital Photographic Record:**

The contractor shall maintain digital photographic and Video record of all components of the work showing monthly progress of work. The digital photographic and video record (In Pen Drive) shall be submitted in two sets to the Engineer-in-Charge. The photographic record should include date, time, Location, etc. The expenses on this account shall be deemed to be included in contract price.

**34. Co-Ordination With Other Contractors:**

The contractor should Note that there will be other agencies including Corporation, working in the same area for works other than that included in this contract. The contractor shall co-operate with these agencies to the fullest extent and shall allow them reasonable facility and co-ordination for execution of work, simultaneously and satisfactorily as intended in the contract conditions, specifications and drawings.

If there be a dispute or disagreement between the contractor and other agencies for any cause whatsoever, the same shall be referred to the Engineer-in-Charge whose decision regarding Co-ordination and facilities to be provided by all the contractors to others shall be final and binding on all parties and such decision shall Not vitiate any contract or absolve the contractor of his responsibility under the contract, and shall Not form ground for any claim or compensation.

**35. Undertaking under Contract Labour Act:**

The contractor shall furnish the undertaking towards implementation of Contract Labour Act as given in **Appendix - 'F'**.

**36. DELETED**

**37. Fencing, Lighting and Ventilation:**

**a.** The Contractor shall be responsible for the proper lighting, fencing, guarding and necessary health and safety measures while executing all works under this contract and for proper provision of temporary roadways, guards, footways, fences, caution Notices etc., as far as the same may be rendered necessary by reasons of the work, for the accommodation of workmen, foot passengers or other traffic and of owners and occupiers of adjacent property and of the public and shall remain responsible for any accidents that may occur on account of his failure to take proper and timely precaution.

**b. Maintenance of Services-** After all the work under this contract is completed and accepted as such, in case the Engineer-in-Charge so directs, the contractor shall maintain the lighting, ventilation, communication facilities etc. up to a date determined by the Engineer-in-Charge, but not longer than for a period of twelve months. All reasonable charges for such maintenance otherwise not required by the Contractor for his purposes under the contract will be borne by Corporation. As regards the reasonableness of such charges, the decision of the Engineer-in-Charge shall be final and binding on the Contractor.

**38. Liability for Accidents to Persons:**

It shall be contractor's responsibility to protect against accidents on the work site. He shall indemnify the Corporation against any claims for damage to the property, injury to workers or any other persons including Corporation staff working at the site of work, deaths, etc.

On the occurrence of an accident resulting in death or which is so serious as to be likely to result in death, the contractor shall within 24 hours, report in writing to the Engineer-in-Charge, the facts stating clearly about the circumstances in which accident has occurred and the subsequent action taken. Other minor accidents causing minor injuries and loss to property should be communicated in writing, promptly to the Engineer-in-charge.

In all cases the contractor shall indemnify the corporation against all losses or a damage resulting directly or indirectly from the contractor's failure to report in the manner aforesaid. This includes penalties or fines, if any, payable by the Government as a consequence of failure to give Notice under the Workmen's Compensation Act or failure to confirm to the provisions of the said Act in regard to such accidents.

In the event of accident in respect of which compensation may become payable under the Workmen's Compensation Act VIII, of 1923 including all subsequent modifications thereof, Engineer-in-Charge may retain the sums of money as may in the opinion of Engineer-in-Charge be sufficient to meet such liability out of the amounts payable to the contractor. These sums shall be recovered from the immediate payment due to the contractor in one installment or in more than one installment. The decision of the Engineer-in-charge regarding this shall be final and binding on the contractor. On receipt of award from the Labour Commissioner, the balance amount shall be reimbursed to or recovered from the contractor.

It should be noted that though the Corporation is a Principal employer, the complete responsibility of compensation shall be on the contractor.

**39. The Contractor to Supply and be Responsible for The Sufficiency of The Means Employed:**

The Contractor shall supply & take upon himself the entire responsibility of the sufficiency of the scaffolding, timbering, machinery, tools, implements and generally of all the means irrespective of whether such means may or may not have been approved of or recommended by the Engineer-in-Charge and the Contractor must accept all risks of accidents or damages from whatever cause they may arise, until the completion of this contract.

**40. Covering of Work:**

The Contractor shall give not less than five days notice in writing to the Engineer-in-Charge of the work which is proposed to be covered up or placed beyond the reach of measurements so that the measurements may be taken before the work is covered up or placed beyond the reach of measurements. no work shall be covered up or placed beyond the reach of measurements, before ensuring that the measurements of work to be covered up are recorded. Any work covered up or placed beyond the reach of measurements without such notice having been given or consent obtained the same shall be uncovered at the Contractor's expenses and in default thereof no payment or allowances shall be made for such work or for materials with which the same was executed.

**41. Accuracy of Lines, Levels and Grades Setting Out:**

- a. The contractor shall be responsible for the true and proper setting out of the work and for the correctness of the positions, levels, dimension, alignment of all parts of the work and for the provisions of all necessary instruments, appliances and labour in connection with this.
- b. For the purpose of setting out, one temporary / permanent bench mark shall be established by the Corporation near the site, the value of which shall be given to the contractor, by the Engineer-in-Charge. All the setting out shall be with reference to this bench mark and reference line.

- c. If at any time during the progress of works the error shall appear or arise in the position, level, dimension or alignment of any part of the work, the contractor shall rectify such error to the satisfaction of Engineer-in-Charge without any extra cost to the Corporation.
- d. The periodical checking of these by Corporation staff shall not absolve the contractor of his responsibility regarding accuracy as contractor is also responsible to see that the things proceed in such a manner so as to give desired ends product. In case of deviation, the contractor shall make good to the discrepancy at his own cost and without any compensation for the additional work involved. Wherever such discrepancies, if any, are found to arise between the works of different contractors at the junction of their works the relative liability to set right their respective discrepancies shall be fixed by the Engineer-in-Charge, whose decision shall be final and binding on the contractors concerned. The Engineer -in-charge shall further have the unquestioned right to rectify the discrepancies and recover the costs from the contractor or contractors according to proportions as he may consider reasonable.
- e. It is the responsibility of contractor to preserve the bench mark and the reference points established for setting out.

#### **42. Excavated Material:**

All the materials available from excavation will be the property of Corporation and shall be disposed off only as directed by the Engineer-in-Charge. The materials of approved quality available from the excavation including that carried out by the Corporation may be used by the contractor in the items of works included in Schedule 'B' or for ancillary or preparatory work free of cost. However, the contractor has to pay Royalty charges to Revenue dept. as per prevailing Government orders. Prior approval of Engineer-in-Charge for such use shall, however, be taken. The contractor shall make proper arrangement for sorting out and stacking material of approved quality that he proposes to use as aforesaid. Corporation will be free to make use other materials not required or not likely to be required for use by the contractor as will be determined by the Engineer-in-Charge.

The excavated material not to be used by the contractor as above or stacked for his use, but remaining unused at site after completion of works, shall be disposed off by the contractor at his own cost in a manner and at place shown in the drawing or as and where the Engineer-in-Charge may direct. The contractor should utilise material available from excavated stuff for backfilling.

#### **43. Safety Measures:**

The contractor shall arrange for utmost safety in his operations. **In case the contractor fails to make requisite arrangements the Engineer-in-Charge shall be entitled to cause them to be provided and to recover the cost thereof from the contractor.** The following are some of the measures listed, but the same are not exhaustive and the contractor shall add to and suggest these precautions on his own where necessary and should comply with the directions issued by the Engineer-in-Charge in this behalf from time to time and at all times.

1. Providing protective head guard to workers in the works like deep excavation, underground works etc. to protect them against fall of overburden materials.

2. Getting the workers in such jobs periodically examined for chest trouble due to too much breathing in fine dust.
3. Taking such Normal precaution like fencing and lighting to excavations or trenches, not allowing, nails or metal parts or useless timber spread around, marking danger area for blasting, whistles, etc.
4. Providing sufficient suitable and safe accesses to all work spots including ladders, gangways, platforms, etc. avoiding naked wires etc. such would eletrocute the workers.
5. Taking necessary steps towards training the workers concerned on the use of machinery before they are allowed to handle them independently and taking all necessary precautions in and around areas where machines, hoists and similar units are working.

**44. Maintenance during Defect Liability Period:**

After the works are completed in all respects in accordance with the contract conditions a completion certificate will be issued by the Engineer-in-Charge.

From the date of issue of the completion certificate, till the expiry of period specified in **memorandum at (h)**, the Contractor shall be liable for the replacement of any part of work found to be defective from the causes arising from faulty materials or workmanship or other causes, for which in the judgment of the Engineer-in-Charge, the Contractor is responsible and for making good any damage arising there from.

**45. Sundays and Holidays:**

No work shall be done on weekly, local holidays or on other Government holidays duly gazetted or on holidays observed by local usage without the prior sanction of the Engineer-in-Charge. Withholding of such sanction shall not form any grounds for compensation or extension of time limit.

If on the other hand, the Engineer-in-Charge directs that the work shall be proceeded with on days and during hours otherwise not permissible under this contract, the contractor shall proceed with the works as directed, without, in any way violating this contract or forming any grounds for compensation or claim.

The Contractor shall, in his dealing with labour at all times during the period of this contract, have due regard to local festivals, religious and other customs.

**46. Bank Guarantee, Renewal & Encashment:**

Bank guarantee shall be given on the **stamp paper of Rs.100/-** in the form prescribed by the Corporation. The bank guarantee shall be valid for the entire period of contract including defect liability period plus extension of work period. In case the contract period is extended it will be the responsibility of the contractor to get validity of Bank Guarantee extended in view of extension proposed, without which extension will Not be granted. The Engineer-in-Charge of the Corporation reserves the right to encash the bank guarantee in the event of breach of any of the term and condition of the contract and failure to perform as per contract.

The Executive Engineer is empowered to approach to the Bank for encashment and may take recourse to approach Reserve Bank of India's Vigilance Branch and 'Ombudsman' as found necessary.

**47. Handing Over of Work:**

All the work and materials, before finally taken over by corporation will be the entire liability of the contractor for guarding, maintaining and making good any damages of any magnitude. Interim payments made for such work will not alter this position.

The handing over by the contractor and taking over by the Executive Engineer or his authorised representative will be always in writing of which copies will go to the Executive Engineer or his authorised representative and the contractor. It is however, understood that before taking over such work, Corporation will not put it into regular use as distinct from casual or incidental one, except as specifically mentioned elsewhere or as mutually agreed to.

**48. Instrumentation:**

In case, it is proposed to have any instrumentation in work, the instruments and their accessories will be procured and installed by the Corporation as per programme framed by the Engineer-in-Charge. Care should be taken by the Contractor to protect these instruments as well as their connections during various construction operations. The contractor shall also extend all facilities for installation and observation of these instruments. All the operations required for facilitating the installation of the instruments shall stand included in the relevant items of tender. No claim, however shall be entertained due to any delay or obstruction that might be created due to installation or observation.

**49. Inspection of Works:**

The Engineer or his duly authorised representative shall have at all times full power to inspect the work whenever in progress either on the site, in the contractor's premises or the work site. Further, contractor shall not without written authorisation, permit entry on site of work of any person except authorised representative of the Corporation or the Engineer or the contractor's staff and labour directly engaged on and in connection with the work.

The contractor shall, at his cost, provide all necessary facilities for proper inspection and supervision of the work, gangways, platforms, scaffolding and ladders, etc., of suitable dimensions and sufficiently strong at appropriate locations and all accesses to passages etc. shall be well lighted and maintained in good order. The Engineer's decision about the sufficiency and adequacy thereof shall be final.

The contractor shall, during working hours, maintain supervisor of sufficient training and experience to supervise various items and operations of the work and the said supervisors shall remain present during inspections of the Engineer. All orders and directions given to such supervisors or other staff of the contractor shall be deemed to have been given to the contractor directly. Further the Engineer may, by due notice to the contractor, to be present on any specified inspection and the contractor shall comply with such directions.

**50. Opening out Works For Inspection:**

Should the Engineer-in-Charge consider, if necessary, in order to satisfy himself as to the quality of work the contractor shall at any time during the continuance of the contract pull down or cut into any part of the work and make such openings into and to such an extent through the same as the Engineer-in-charge may direct and the contractor shall make good the same at his cost and to the satisfaction of the Engineer-in-Charge.

**51. Removal of Imperfect Work And / or Payment At Reduced Rates:**

If it shall appear that the work has been executed with unsound, imperfect or of an inferior quality or otherwise not in accordance with the contract Documents the contractor shall at his own cost rectify, reform, remove or reconstruct the same, wherein whole or in part as may be, directed by the Engineer-in-Charge, whether or not, the value of any such work or material shall have been included in any payment made to the contractor. The decision of the Engineer- in-charge shall be final and binding on the contractor. The Executive Engineer may, if he thinks fit, allow such work to be paid at reduced rates approved by the Superintending Engineer whose decision will be final and binding, provided further that the rates fixed by the Superintending Engineer, be not acceptable to the contractor, he shall have the option to replace the defective work or materials with ones in accordance with the specified standards.

**52. Jurisdiction of Court for Disputes:**

Disputes, if any, arising out of this contract shall be subject to the jurisdiction of the Nagpur Bench High Court of Bombay.

**53. Deleted**

**54. Deduction of Income Tax:-** Deduction of Income Tax at 2% of the value of the work done will be made from the Contractor's R.A. bills and surcharge at the appropriate rate in Income Tax will be deducted.

**55. Mode of Payment of The Quantities of Excavation, Masonry And Concrete Items Executed In Excess of 125%.**

**DELETED**

**56. Additional Conditions Regarding Payment of Royalty Charges As Per Bombay Min or Mineral Extraction (Amendment) Rules, 2003.**

**DELETED**

**57. Excavation by Controlled Blasting and Chiseling:**

The location where excavation by controlled blasting and chiseling is to be done is shown below. At other location the excavation is to be done by ordinary blasting.

**A. Controlled blasting-**

The rate of excavation by controlled blasting is allowed at following site condition-

- i. The roads having heavy traffic within 100-meter radius of work.
- ii. The habitation and public buildings with 200-meter radius of work.
- iii. The electric lines within 100-meter radius of work.

**B. Chiseling-** The rate of excavation by chiseling is allowed at location where permanent and important structure is within 30-meter radius from work.

**57.1.** Where rate of chiseling and controlled blasting is allowed, the contractor shall be responsible for damage to any type of property or life. If any damage is occurred due to activity of excavation the contractor has to pay the compensation to the concerned party. If he fails, the compensation will be paid by the Corporation and recovered from contractor.

**57.2.** If the excavation by controlled blasting or chiseling is required to be done at chainages and locations other than mentioned above, then contractor shall write to

**Contractor**

**No of Corrections**

**SDO/AE1**

**Executive Engineer**

the Engineer-in-Charge. The Engineer-in-Charge will inspect the site and if the work is within the prescribed zone of controlled blasting or chiseling, he will submit the proposal for obtaining permission of higher authority.

In such case the contractor shall execute the item of excavation only after approval of controlled blasting or chiseling zone by Chief Engineer. Otherwise, the quantity executed will be paid at the rate of ordinary blasting.

**57.3.** Contractor shall Note that the rate of controlled blasting will be paid only if he has done the work of excavation by taking proper precaution and methods. If the work in controlled blasting zone is executed by ordinary blasting without any special efforts then payment of excavation will be made at the rate of ordinary blasting, though the work lies within approved zone of controlled blasting or chiseling.

**57.4.** The contractor shall maintain account as the proof to prove that the excavation is done by controlled blasting or chiseling e.g.-

a. For proof of controlled blasting -No of drills, their depth, charge loaded, other precautions taken and quantity executed.

b. For proof of chiseling - Method of chiseling, equipment and machinery used and their hours of working, quantity executed.

**58. Shifting Of Electric Line:**

In case shifting of electric line is necessary, Engineer-in-Charge will initiate the proposals to concerned authorities. It will be the responsibility of contractor to make good for early clearance of the proposal from the concerned department with all specifications and conditions so that there should be no delay in completion of the work. The contractor should take all necessary precautions during execution of the work, since there is high voltage transmission line over head. The contractor will be responsible for all consequences due to negligence. Contractor should pay the required cost of shifting these lines to the concerned authorities. The same will be reimbursed to the contractor by Corporation as per availability of funds.

**59. Defects Liability:-**

Within a period of **12 Months** after completion of work, if any repair due to the defect in construction, the same will be carried out by the contractor at his own cost.

The security deposit amount as mentioned in clause 1 of condition of contract is only payable after one month completion of this period.

**60. No Claims for Delay in Payments:**

1. Payment will be made to the contractor as per availability of funds with VIDC. Contractor shall have to make himself well informed about the financial status of VIDC and also about funds availability status for this work.

2. Contractor shall not claim any amount in view of condition No. 1 above for any delay in payments, increase in period of contract, interest, price index increase etc. Measurements shall be recorded in the same month when works are carried out. Contractor shall not claim any price escalation based on basis of date of payment of the bill & price index on the date of measurement shall only be applicable irrespective of date of payment.

3. In case of financial crisis of any other reasons VIDC reserves the right to withdraw above works under contract clause No. 15.

**61. Insurance Charges :**

As per Clause No 56 of Section VI Genral Conditions.

**62. Labour Welfare Cess :**

The amount of labour welfare cess at the rate of 1% will be recovered from contractor through every Running / final bill as per directions given by the Govt. of Maharashtra vide Marathi Resolution No. 'UDHYOG, URJA VA KAMGAR VIBHAG SHASHAN NIRNAY KRAMANK B. C. A. 2009 / PRA. KRA. 108 / KAMGAR 7A, DINANK-17 JUNE 2010".

**63.** The contractor shall make arrangements to supply fuel for domestic use to all the labours engaged on site and prevent the labours from cutting trees for the purpose of fuel. If the contractor's labour found to cut the trees the contractor shall be held responsible for the same and shall be punished as per the provision in Forest Conservation Act, 1980.

**64. Planning For Execution of Work**

The contractor has to carry out the work in planned manner as directed by Engineer incharge.

**65. Stamp Duty**

Contractor shall bear whole required amount of stamp Duty on works Contract as per Mumbai Stamp Duty Act.1858 clause 34 at the prevailing rates. No claim against this shall be considered and if the contractor fails to bear this amount, acceptance of the tender shall be liable to be considered as withdrawn.

All embedded items, shall be cleaned free from all foreign matter such as scale, rust, oil, paint etc. The Contractor shall be responsible for correctly embedding the parts as directed without any charge, the cost of such bedding being deemed to have been included in the items of concrete and or masonry as the case may be. No extra payment will be made for the installations of this embedded work or for delays or for interruptions arising there from.

#### **1.9.0 SIGNING THE FIELD BOOKS, LONGITUDINAL SECTIONS, CROSSECTIONS AND MEASUREMENT BOOKS**

Before starting the work for intermediate payments and at the end before the work is covered. Level for plotting the longitudinal section (along the axis as decided by the Engineer-in-charge or his authorized representative) and cross sections of the portion of the work shall be taken by the authorized engineer of the contractor in the presence of Engineer-in-charge or his duly authorized representative. The contractor or his authorized engineer shall have to sign the field books and plans showing longitudinal sections and cross sections of the portion of the work in token of acceptance. If the Contractor fails to sign them, the levels recorded by the Engineer in charge or his representative in the authorized books shall be final and binding on the Contractor. If the Contractor or his duly authorized agent fails to attend, the levels shall be taken in his absence and such levels and longitudinal sections and cross sections based there on shall final and binding on the Contractors. The levels will be taken on such alignments and cross sections as will be useful for reference permanently and will be in harmony with the mode of the measurements of payments as described under specifications. The point locations for the levels will depend upon raggedness of the areas and will also be at least in conformity with the requirements of specifications.

#### **1.10.0 CEMENT AND STEEL**

No material will be issued by the Corporation on Schedule "A". The Contractor is responsible for all materials including cement, steel, explosives, Hume pipes etc.

**1.10.1 CEMENT**

(A) Cement shall be ordinary Portland cement 43 Grade conforming to IS 8112 of 1989. Packed in 50 Kg. woven HDPE bags conforming to IS 11652 of 1986.

There should be a marking in black monogram as “Government of Maharashtra” on the back side of those HDPE bags. Cement shall be procured from recognized manufactures such as L & T, ACC, Narmada, CCI Rajashree, Manikgarh etc.

(B) The use of admixtures and agents shall be made as per instructions of the Engineer-in-charge. The cost of cartage/ storing/ handling/ batching/ mixing shall be borne by the Contractor and shall be included by them in unit prices tendered for concrete.

**1.11.0 STEEL**

(A) The reinforcement steel shall conform with the specification laid down by the Bureau of Indian Standards vide their specification Nos. I.S.432 (Part I) of 1966, (1139-1966, 1786-1979) amended from time to time.

**1.44.0 ROYALTIES**

The Contractor shall arrange for the materials from approved quarries. It is necessary for the Contractor to obtain permission from revenue authorities or other relevant authorities before removing the materials pay royalties etc.

**1.13.0 ADVANCE ON CONSTRUCTION MATERIALS**

For imperishable materials brought on site by the contractor and meant to be incorporated or consumed in work, secured advance at 75 percent (Seventy five percent) of the cost of assessed by the Engineer-in-charge shall be paid provided that such materials are not in excess of the requirement of the work. The contractor shall furnish indenture bond for the amount of the advance in the form prescribed by Corporation for the same. The recovery of such advances shall be made from each succeeding work bill, at the rates the material have been consumed in the relevant finished item.

**1.14.0 PAYMENT**

Generally, the Corporation will pay one running bill in a month, subject to availability of funds. The recoveries for various advances shall be affected from this bill. The total recovery on all accounts shall be limited to 50 percent (Fifty percent) of the gross bill and the balance if any shall be recovered from the succeeding monthly bill.

**1.15.0 NO INTEREST ON MONEY DUE TO THE CONTRACTOR**

No omission, by the Engineer-in-charge, to pay the amount due upon measurements or otherwise shall vitiate or make void, the contract, nor shall Contractor be entitled to get interest on any guarantee bond or payment in arrears nor on any balance which may, on the final settlement of his account be found due to him.

- 1.16.0** If due to difficulties in land acquisition, land does not become available, the same cannot be handed over to the Contractor, in such situation the Contractor shall not be entitled to any claim. If the lands do not become available up to 50 percent of the time limit of the tender, the execution of the quantities of works under various items pertaining to such, lengths shall be optional.

**1.17.0 HANDING OVER OF COMPLETED RECHES AND LETTING OUR WATER FOR IRRIGATION.**

- 1.17.1** On the request of the Contractor the continuous completed reaches of Distributor and Minors including sub-Minors would be taken over by Corporation provided if it fulfills the conditions specified below.
- 1.17.2** The term “completed under 1.17.1 above shall be deemed to be inclusive of structures and selective lining and ready to receive flow of water for irrigation. The taking over (i) Distributory will be in stage with its completed Minors and sub-minors (ii) one complete Minor with its sub-minors from Head reaches (or starting point of contract length) taking of from completed distributor lengths as described in sub para (i) above Reaches of canal in continuous length as specified in (i) and (ii) above may be taken over by recording final measurements. In case silting of canal takes place or scouring damages due to the flow of rain water/flood water entered through incomplete reaches, it would be the responsibility of the contractor to rectify it.
- 1.17.3** Water is likely to be let out in Distributory and Minors including Sub-Minors in the completed reaches handed over to the Corporation for Irrigation purpose. However, in reaches not handed over to the Corporation maintenance liability of the contractor would continue to be for the entire period of contract with maintenance period of six months after completion. While for reaches handed over the maintenance period of Six months would commence from the date of taking over by the Corporation irrespective of whether water is let out for irrigation or not.
- 1.17.4** Water is available free of cost for use on works when water is let out in the Distributory/Minor for irrigation purpose. However, during closure periods the contractor has make his own arrangements for storage of water for use in works. In case Distributory/Minors are closed for intervals the contractor has to make his own arrangement of water at his cost. No claim of any kind will be entertained on this account.
- 1.0.1** The measurements for the work shall be taken by Contractor's authorized engineer in the presence of Engineer-in-charge or his authorized representative and recorded in the authorized books. The contractor shall obtain the signature of Engineer-in-charge or his authorized representative on such recorded, measurements in token of acceptance. If the contractor fails to take such measurements then the Engineer-in- charge will cause to record the measurements which will be final and bindings on the contractor. This Para is applicable to all items.
